第25話

Nice!
Sweeeet!
Nectar
Apple

Why did you go out of your way to place it here?
Still,
And so, obviously, we needed a basket.
Cool, and...?
because I was on the basketball team back in middle and high school.
This is...
What's going on here?
This thing...
Wow.
I hadn't noticed!
The carpet is laid out like a basketball court, too.
And...

Oh no!
our roles might be reversed?
And did you consider that if I wake up first,

Hmph...
I thought it would be a perfect wake up call.

No problem...
I messed up...

Hey, not even I could miss at this distance.
Really?!
This guy sucks at sports.
Yeah, right.
!!
It really annoys me here that you're talking as if sleeping together is normal!!
...
?
Wait a minute!
Ah!
Damn...
Aah!!
The one who shared this bed was you, right?
Wait,
But when put it that way, you sound kinda gay, bro.
Hmm...
When it comes to baka couples, you guys are the most baka of all!
Yes, you so would!!
Hey!!
No, I wouldn't say that!
Is what you're going to say, anyway!
"As long as I have Ozawa, I don't need anything else,"

As we get older, is it too much to ask just to hear a kind word from others now and then?
!?
Baka couple!!
Baka couple!!
...
...

I'll make you breakfast, okay?
I'll make anything you like for breakfast, so have mercy!
Okay?
My bad!
...!!
Hisssss
Oh, man...!

Itadaki-masu!

I know, sheesh.
right?
Or not...

Eating breakfast at a pub style counter is
Pretty awesome!

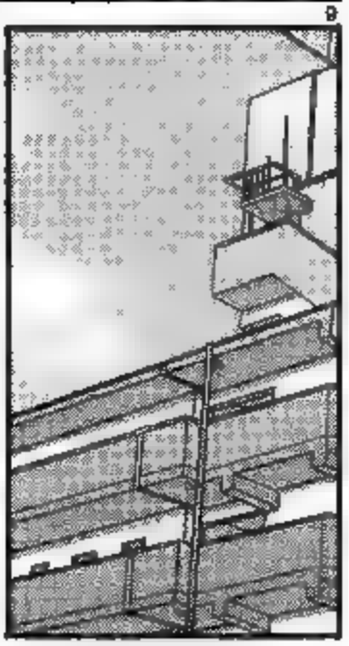
...
dip

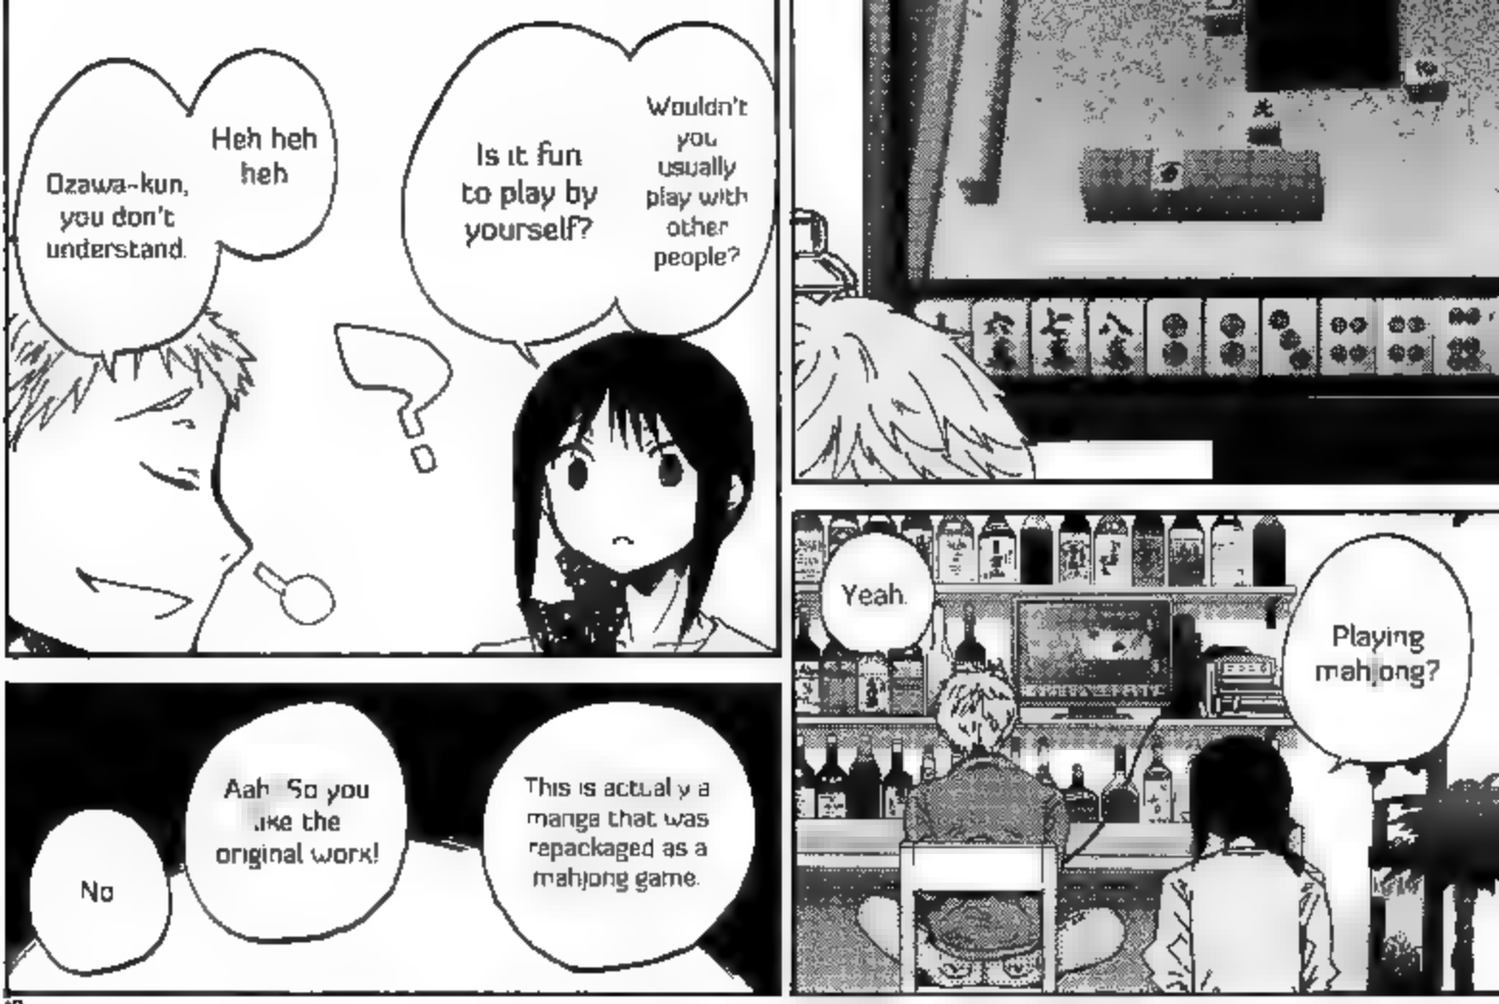
Moving it again would be a pain.
Yeah..
Should we use the table?
So what should we do for dinner tonight?
Hmm?
Heh!
For the hell of it? I wrote that menu seriously.
SHOOTING STAR FRIED RICE**
BUDDHA JUMPS OVER THE WALL*
BLACK CURRY
So that menu up on the wall, if may ask, will you make those for me?
No way, no way! We just wrote that for the hell of it
Quit it..!
Eh. ?!
I'd like to nibble on Ozawa-san
For dinner,

T/N *gourmet shark-fin soup,
**an imaginary dish from Cooking Master Boy anime

Whoa?!
Totally serious yeah
Shooting Star Fried Rice
Buddha Jumps Over the Wall
Black Curry
Potato Chips
Fried Chicken Skin
Come on, quit kidding around about something like that, okay?
2 people who have done this
And,
Just kidding.
Hahaha

Uh
How much for this one again?
probably can take a lot of water
Okay
'Course.
You'll still come to eat dinner here too, right?
Anyways.



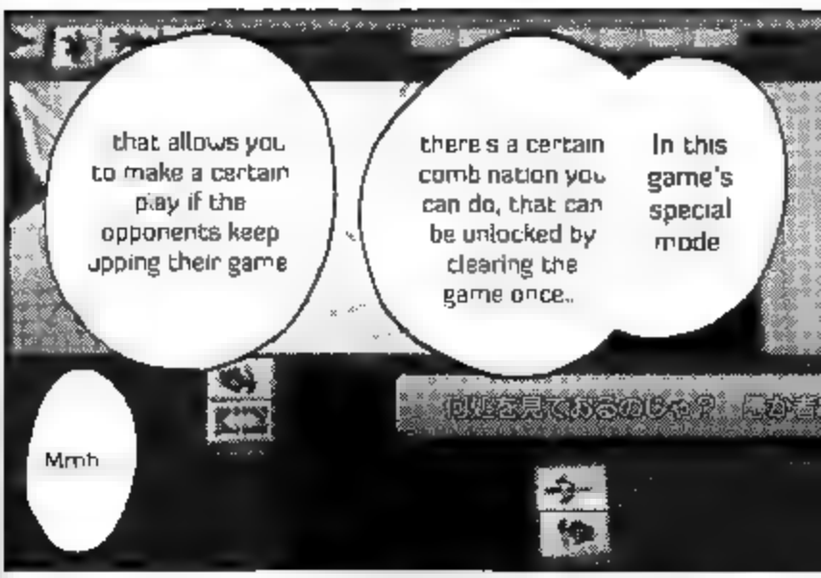


Ozawa-kun, you don't understand.
Heh heh heh
Is it fun to play by yourself?
Wouldn't you usually play with other people?

No
Aah. So you like the original work!
This is actually a manga that was repackaged as a mahjong game.

Yeah.
Playing mahjong?

Fine, I've think I've heard enough
Each character has their own habits that give them away
Well, of course this is a character driven game after all
Sorry.
Cool. Fine by me



Mmh
that allows you to make a certain play if the opponents keep upping their game
there's a certain combination you can do, that can be unlocked by clearing the game once..
In this game's special mode

Moreover, the lack of handicap settings in this game makes it more challenging.
So I'm addicted to this game because it adds brand new elements.
And you can do something that's not possible in the regular game.

We're going to get groceries for dinner!
Yup.
I'll start making something from what we have around
Okay
For now
Let's go with this.

MENU
Desserts
• Haagen Dazs
Mr. Donuts
• Ginbaco Tanaka*
• Pound Cake
Puchi Pudding

In this new Bonnouji arc, it looks like we will find Ozawa digging her own grave, deeper and deeper.

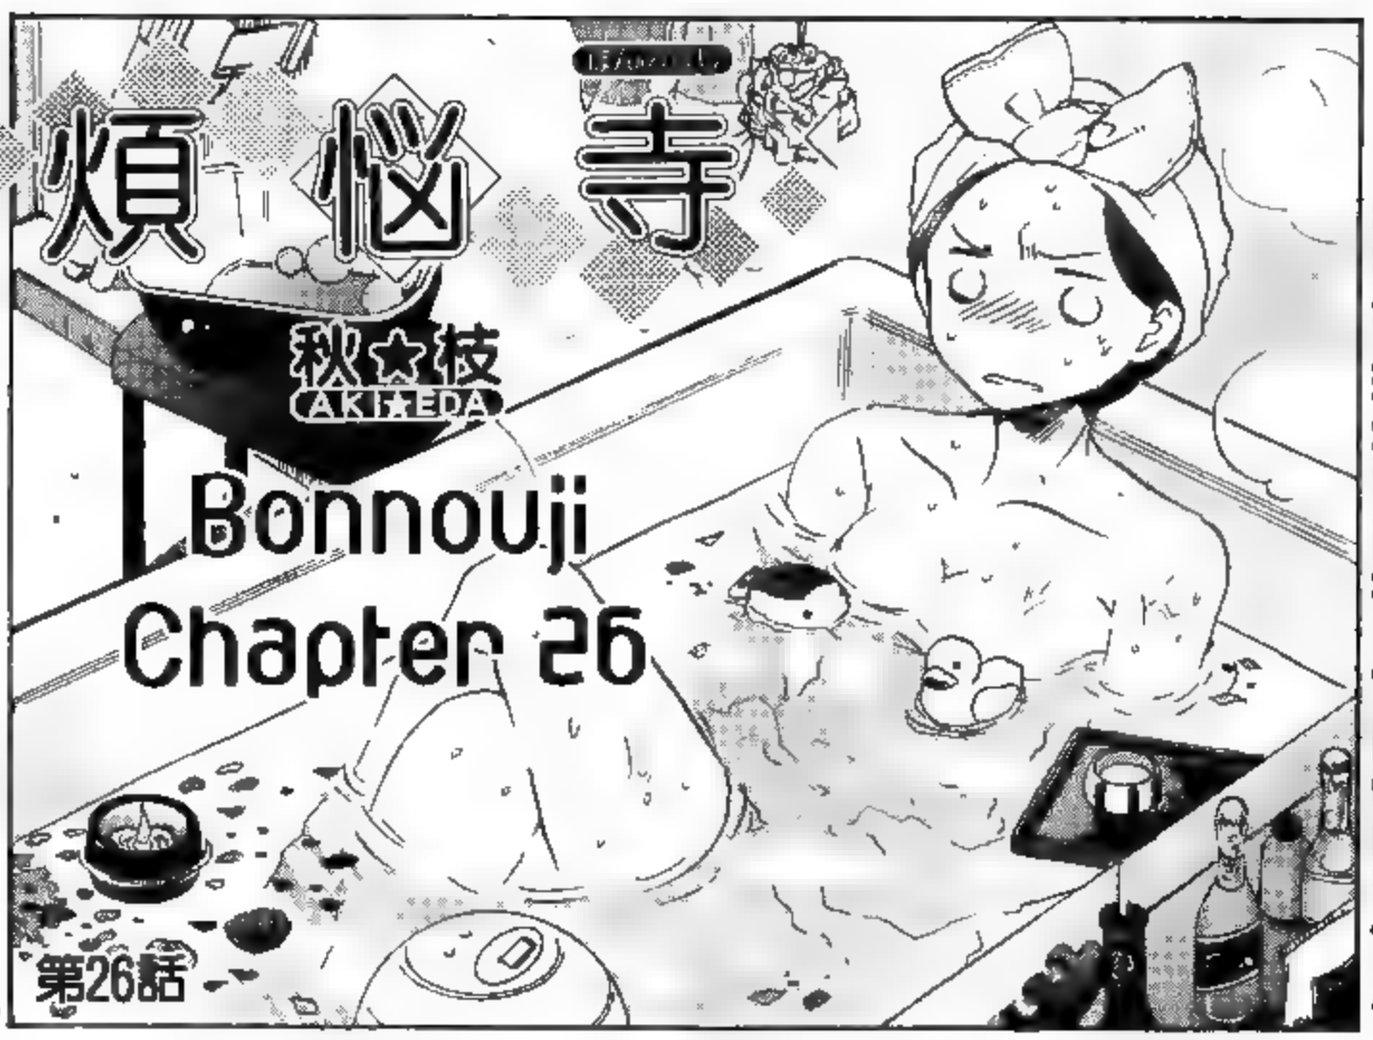
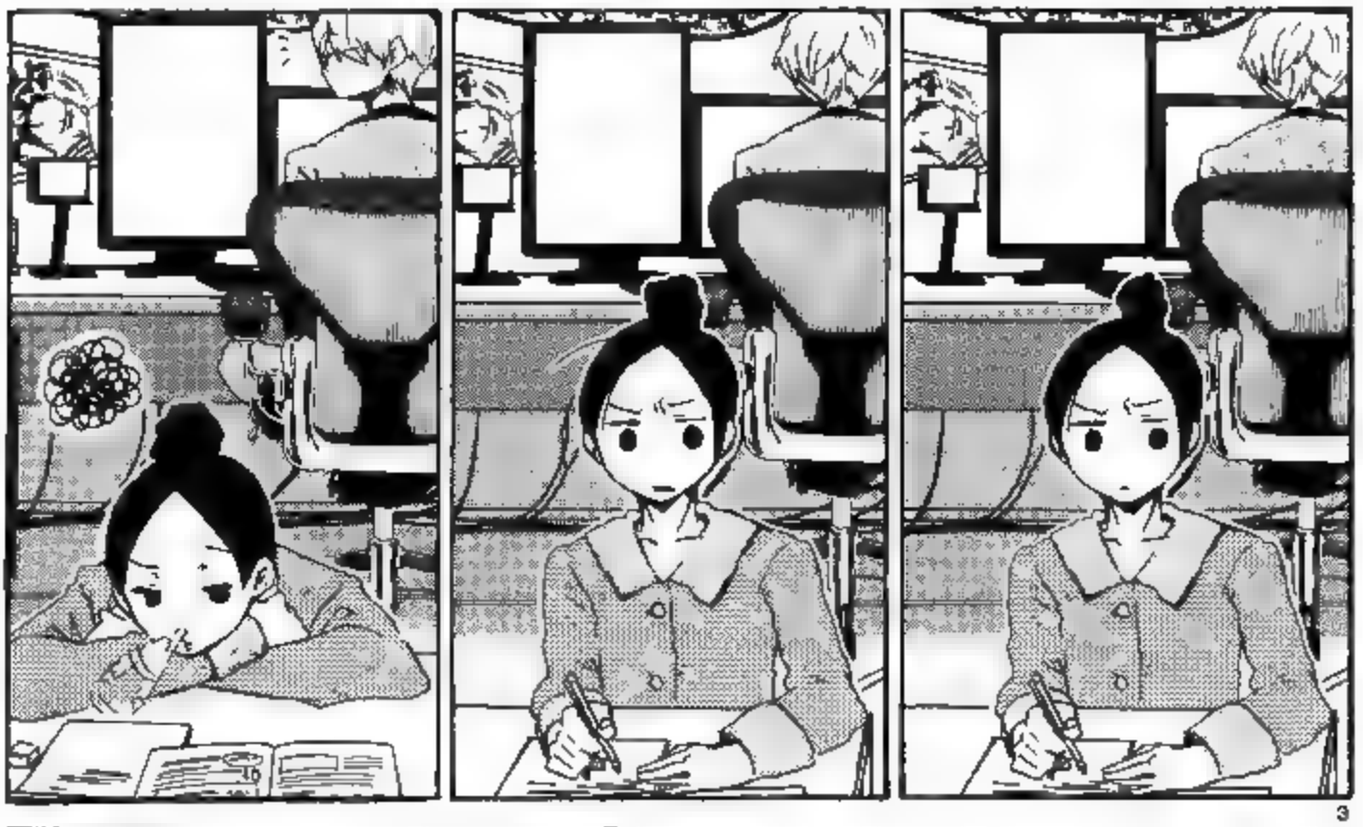
I'm home!
Welcome back.
So what did you eat?
I ate Indian curry with Watanabe.
There's a new place that opened up near the office
I had a curry with dry fruits in it, and some naan bread.
Watanabe went for one with crushed nuts, and then we shared.
Both of them were really sweet.
Ick, sweet stuff and curry together?
Sounds too sweet
It actually does go together well
But then I had a craving for orthodox curry, so we got an extra order of regular curry and cheese naan halfway through.
I see...



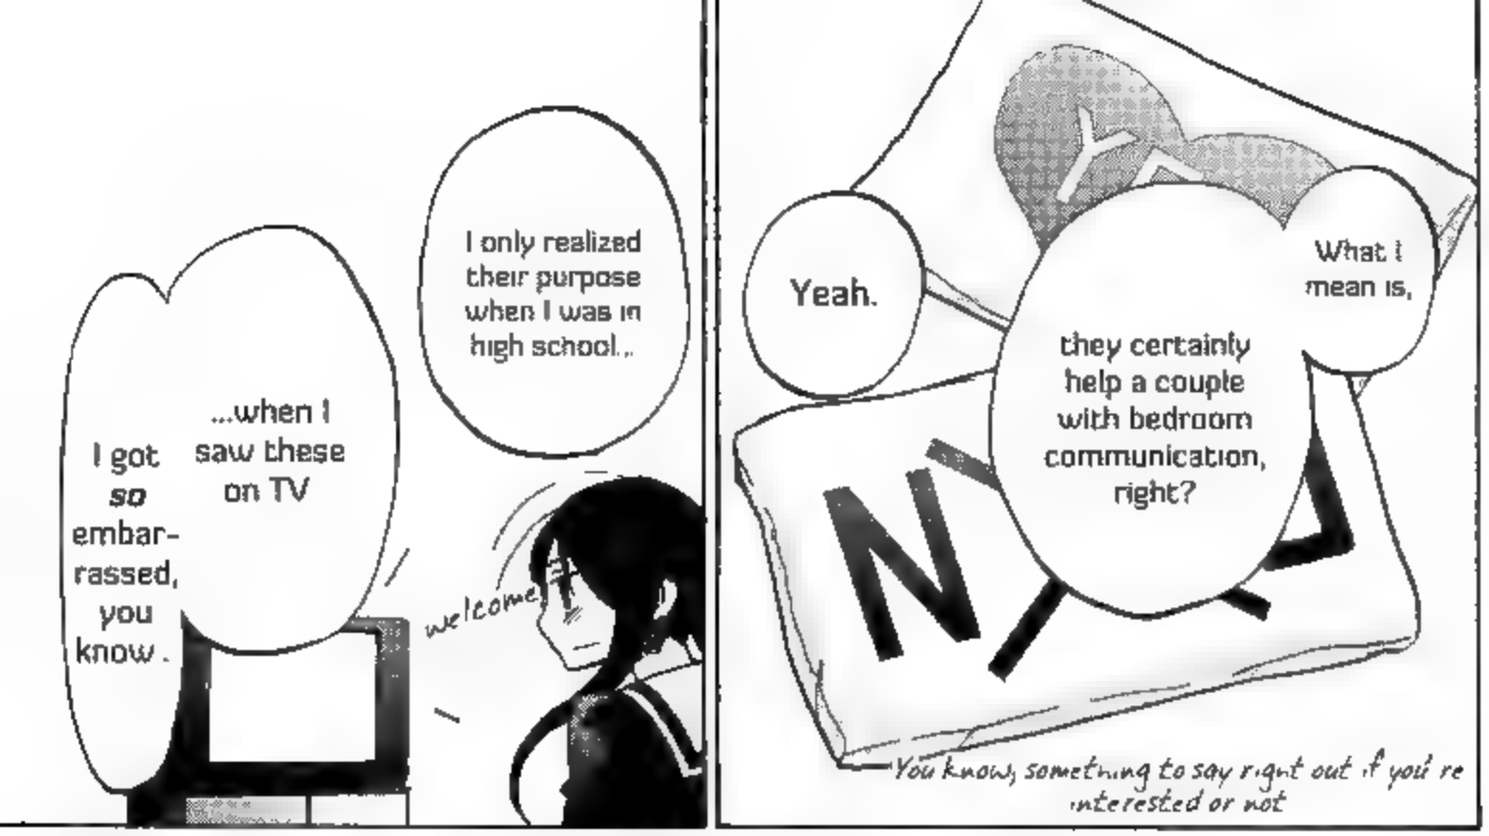
こんな所で現実を直視してはいけません。

Glad to see you relax
Whe-e-ew



Oof
I'm exhausted today
Mmh
Sleep?

T/N * In Japan, they have pillows for couples that say "YES ♥" on one side and "NO" on the other



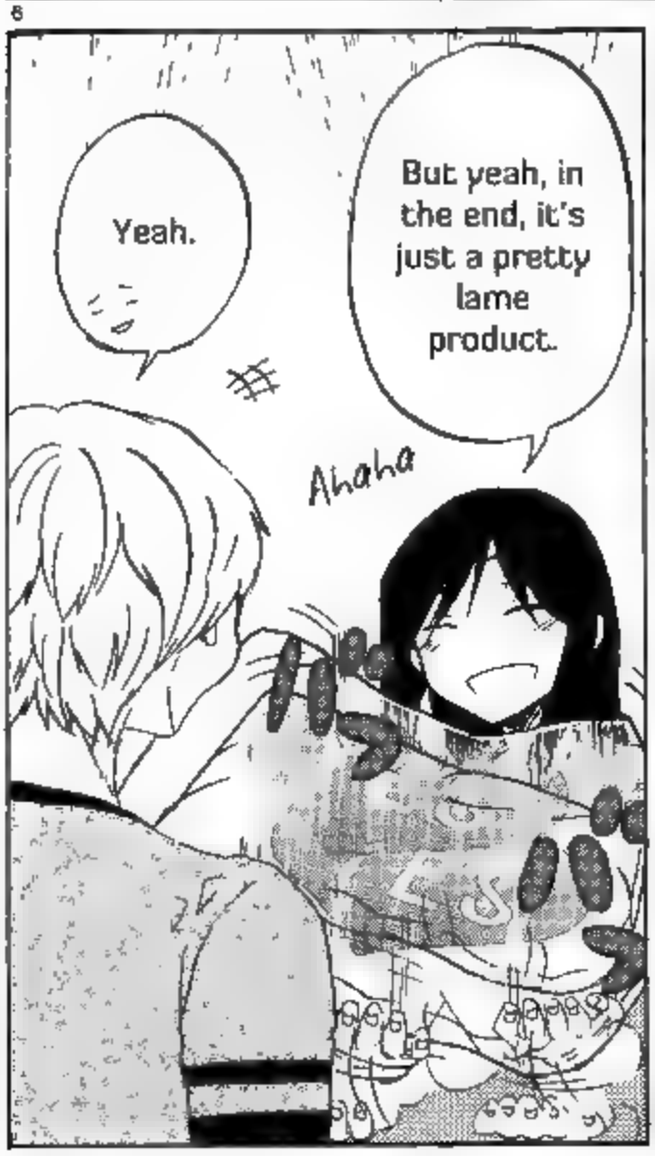
I only realized their purpose when I was in high school...
...when I saw these on TV
I got so embarrassed, you know.
welcome
Yeah.
What I mean is,
they certainly help a couple with bedroom communication, right?
You know, something to say right out if you're interested or not

I don't blame you.
So back then I didn't like these

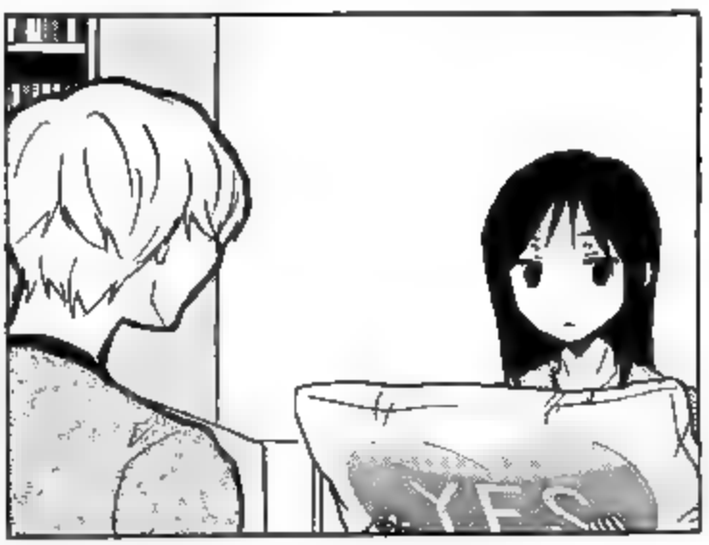
You got that right.
there's a pretty blunt innuendo coming right at you, right?
Wow, in the bright light of day,

I see, I see
At least, that's my opinion
I'm really practical... and I think these are pretty ingenious
But now that I'm older,

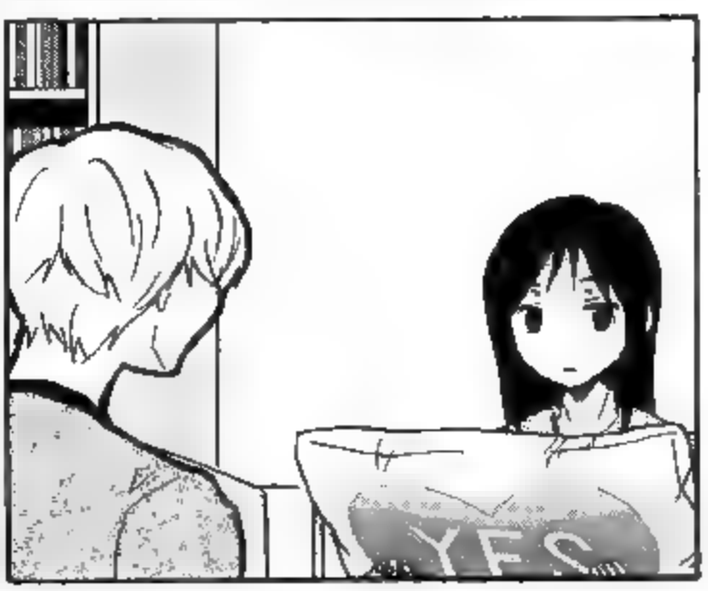
Yeah ...
as I get older.
But this makes me realize just how much my feelings change
could come across as pretty vulgar.
This single item, depending on its use,
YES



Yeah.
But yeah, in the end, it's just a pretty lame product.
Ahaha



YES



YES

I ate too much ..
So my stomach looks all lumpy right now.
I see.
Sorry

So,
Which side is it today?
Hm?

OH!

Yes?
Hey You there .
Why are you rubbing my tummy?
Hmmm?

Starting tomorrow.. I'm on a diet.

Ozawa, you free today?
How about a drink, before you go home?
Sorry
Don't worry about it.
I'll just go drink all by myself in some bar somewhere.
Uwaah!
Wait! I'll make time next week absolutely
Watanabe-san with new glasses
A guy, huh...
It's not like that.

1

The common dilemma — finding quality time for each other — is not only a problem for couples!

It's already been five years since Ozawa and I started out at the company and became friends
So why do I suddenly feel like a third wheel?
Why?
Ozawa's had boyfriends before,
but it never got like this.
A week later
So, Ozawa-san
Yes?
You always ask me that, ya know?
What's your boyfriend like?
So he's sweet and harmless and lives in a wacky room
What else?
Uuh..
.....
That's all.
...
2

How... well, it's not really something you can compare, is it?
So how does he compare with your past boyfriends?
Weird I guess
If I sum it up in a single word, then...
So... how does he stack up against my previous boyfriends?
Huh..?
Doesn't tell me the slightest thing about him.
Nah.
Or so they say.
To comprehend a new object, try "process of elimination" or "compare/contrast with known individuals."
Well, how else should I ask? Your description really sucks
Yeah

I would love to show you, Watanabe!
That strange place and those weird people!
Uh-huh...
I see...
If "compare/contrast" won't work, how about "empirical observation"?
How about this? Why don't you come over to our, er, my boyfriend's place and have drinks and hang out?
Ah!! I know!!

Hmm...
He doesn't know that many people, so yeah
No, I don't think so.
He won't mind?
I'd be cool with that, but what about your boyfriend?

Ah... Now that you mention it...
You never introduced me to any of your guyfriends before.
You're right.
I think you've changed.
Huh?
How?

4

Don't ask me.
I wonder why.
I guess it's the effect of Oyamada's "nice guy" aura on me.
I wonder why...

I mean,
You never had any interest in the guys I dated up 'til now
What? Why?
Isn't this also unusual for you?
But maybe you're right.
If I meet him maybe I'll under-stand better
Hm?
Watanabe ..et me ask
Mmh
Well.
I guess that s true
A week later
This is the right place right?
Just a minute!

Here
A little something prepared
Oh!
Eve n ng.
I'm Watanabe.
My pleasu re
I'm Oyama da.
Good evening!
Oh, you didn't have to go through all that trouble
No problem.
She's in the back.
you'll see
?
No no it's perfect,
Excuse the intrusion.
but come on in.
Sorry for the mess and every- thing,
So, where's Ozawa?
Hey there, welcome.
?
She s being playful, you could say

T/N: MAMA. FEMALE OWNER OF A CABARET HOSTESS BAR IN JAPAN. THE STEREOTYPE OF A MAMA IS OLDER, SMOKING, HAVING LOTS OF MONEY, OVERWEIGHT, AND SLEAZY

T/N: Snack Bar- a cabaret hostess bar

Wig ->

Electronic cigarette

I work with Ozawa. I'm Watanabe
Oh, let's see
Who might you be?
Oh cool, nice to meet ya
I'm a Mama!
uh...
What are you doing, Ozawa-san?
Hi, guys!
Yes?
Soooo, Watanabe-san,
Coming up
Gimme a pint, on tap.
Oh, well then Mama,
Lightning quick adaptation!
Huh?
...Do you...
play mahjong?!

* HTTP://EN.WIKIPEDIA.ORG/WIKI/KAKI_NO_TANE

What's with this familiarity?
We also have pocky! Girls only
Woah! Wild rage!
Customers who insult it won't get any dried shredded squid!!
Kaki-pi* is food fit for the gods!!
Uh... does it matter?
Eh?!
Who ever heard of kaki-pi as a canapé?
Hey Watanabe-san help me out here.

It's not a bad atmosphere
But, strange as this is
Hey, Oyamada, nothing to say?
It's all cool
So there

Isn't it obvious?
Eh?
What's.. ? that
Hm?
And now for the moment you've been waiting for Michiyo Snack Bar's Special Event!
ta-dAh!
Fantastic, right?
Laserdisk karaoke!

煩悩寺

* AN ENKA SONG PERFORMED BY MACHIKO WATANABE IN 1978

She invites guests over, then falls asleep.
Even Ozawa,
...they're way too casual.
These guys.

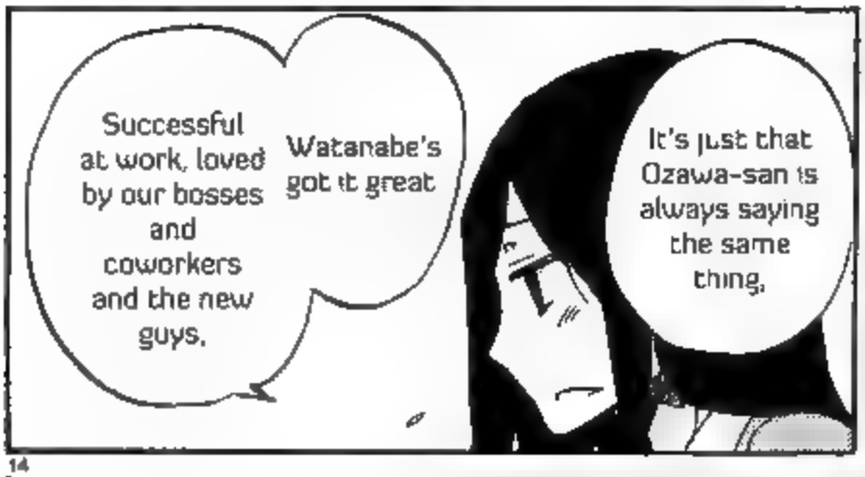
12
How 'bout a drink?
Please something easy
Shochu's good.
Sorry about all this.

Watanabe-san,
Yes?
Can I ask you,
What's Ozawa like at the office?
Let's see
mmm
She's a hard working and depend-able colleague
I guess
She's strict with others but even stricter with herself
I'll stick to bland state-ments.
And just praise her a bit, I guess
13
But, recently, that happens a lot less, almost as if she has a boyfriend, you know?
I'll try some playful banter there
And now
Ahaha
She's not so good at criticizing people, we!!
And when she mentors newer colleagues, she always gets dragged out to parties.
Sounds exhaust-ing

I wish I was more like Ozawa
haha
Successful at work, has a boyfriend
Ozawa has it great.
Ahh.
Wow!

very kind of you to say so
Oh, thank you
This is definitely a fun place you've got here
But I guess it makes sense
F=G M● / r²



Successful at work, loved by our bosses and coworkers and the new guys.
Watanabe's got it great
It's just that Ozawa-san is always saying the same thing.

14

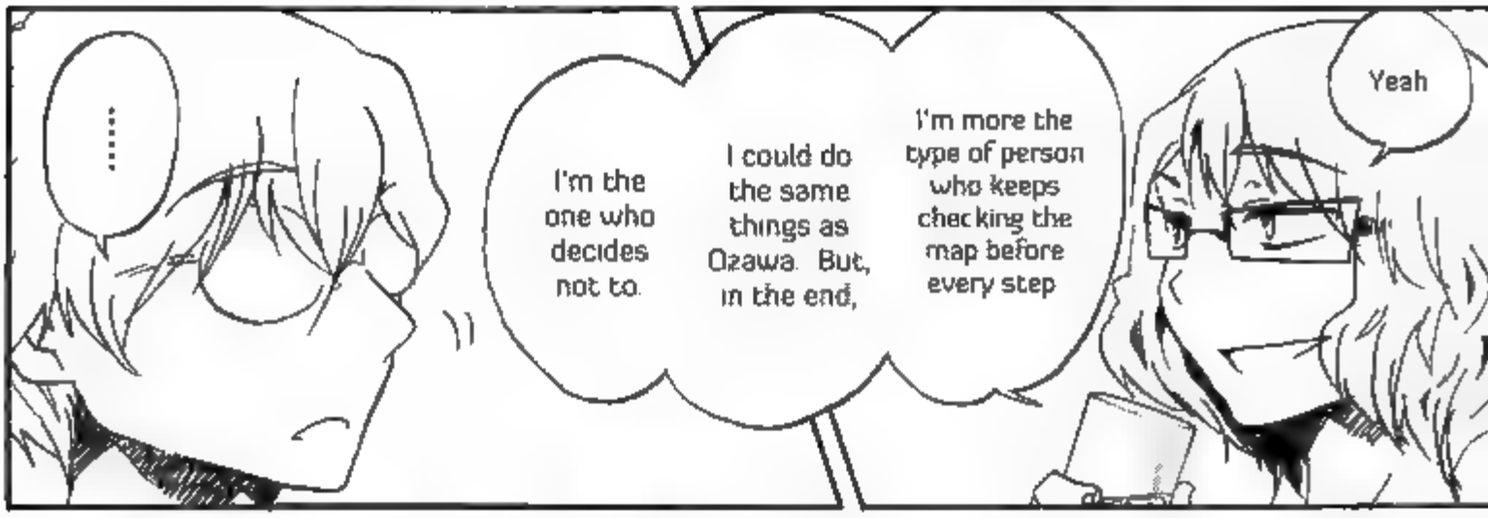
...I was more like Watanabe!
Is what she says.
I sure wish

Sorry.
No,
Ah,
Um
Wow?
What's with that reaction...?

It might be petty,
but why, if neither of us is particularly feminine or attractive,
is she the one who always gets the boyfriends?!
She said that?
She sure got suckered if that is her impression
Ah, hehe
To be honest, I'm kinda jealous of Ozawa.
Really?
I'm nothing like Ozawa's description
Oh...
Any ways
...It doesn't bother me, 'cause I know why
...I would don't tell anyone
Normally,
well
All that,
So why now...?
Oh?
These inner feelings about Ozawa

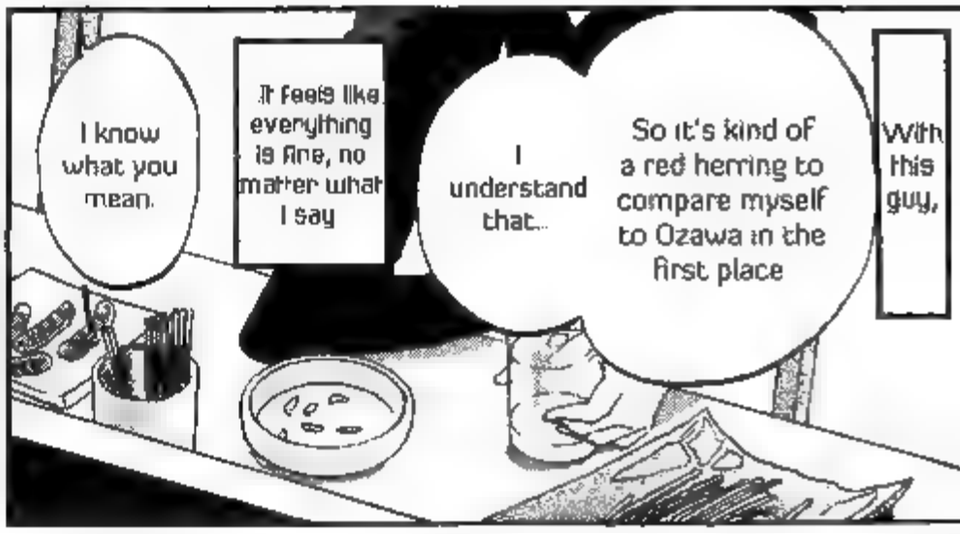
But
...Often Ozawa-san's actions can only be described as reckless
She doesn't always plan things out.

see.
initiative
Ozawa s got it, I don't.

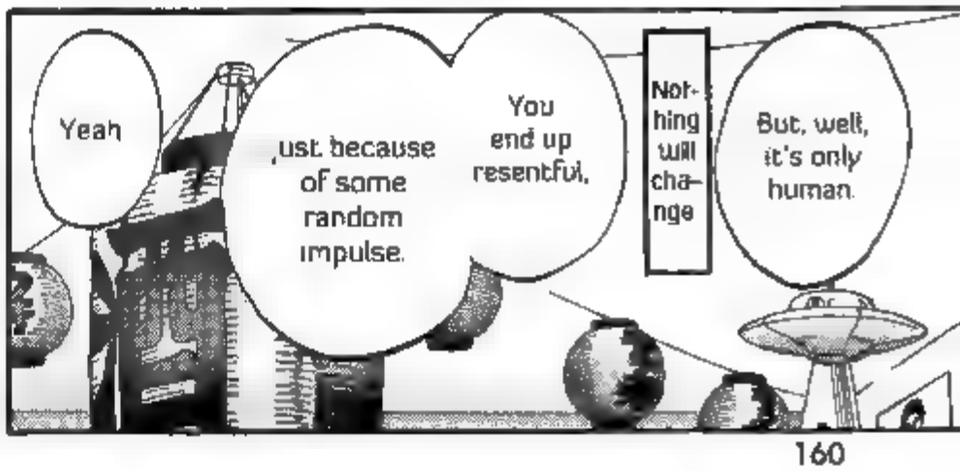


.....
I'm the one who decides not to.
I could do the same things as Ozawa. But, in the end,
I'm more the type of person who keeps checking the map before every step
Yeah

promise
That is the feeling I get
Don t tell Ozawa



I know what you mean.
It feels like everything is fine, no matter what I say
I understand that...
So it's kind of a red herring to compare myself to Ozawa in the first place
With this guy,



Yeah
Just because of some random impulse.
You end up resentful.
Nothing will change
But, well, it's only human.

Th
Thanks for that.
Now, I think..
Though we've only just met,
it's strangely comfortable
I understand the reason that Ozawa chose you.
So,
Maybe you can give me a place to sleep too?
Ah!
Yes.
Futon. Futon
Totally
Easy to talk to!
And
Lets others state their full opinion!
Woah
Wish I had that sk...!!!
!?
Sorry about this. This is our only guest futon at the moment.

I would love to show you, Watanabe!
That strange place and those weird people!
However,
Can I ask you,
What's Ozawa like at the office?
I should feel out-of-place here, in this different environment
. where she has made her new home with this fun world and these interesting people
Aren't I
in a pretty good position right now?
This is great!

Watanabe-san, think harder! Don't you realize you're in a coffin right now?!

Every-one,
please welcome them with a round of applause.
And now,
here comes the wedding couple!

Chapter 28

Look this way!!
You look so cute!
Thanks.

T/N: "kouhai" is your junior at work, school, or a group.

Hello
I am Watanabe.
The bride, Sakura,
was assigned to my department right after she started at the company, and we've been working together since.

She brightens the mood of our whole depart ment.
She works hard.
Jeez. What a pain.
If I ask her for her assignments, she rolls her eyes right in front of me...
Hmm?
She really spoils the atmosphere of the place.
Yes
She does, she does.
Scary!
Wow
If I give her a slightly hard task, she looks pointedly at the people around her, like she's saying, "Can't you ask someone else?"
She does the work that no one else wants to do without any complaints.
No, no.
Watanabe you.
It's like a public execution.

That's all. To sum it all up,
I would like to congratulate these two.
Sakura-san, Yuuki-san —
I wish you the best!
Jeez...
You're scary...
Don't make me give a speech at your wedding too.
Because then I'll only speak the truth
.....
I said it's a joke.
Ah, no.
That's not it.
What?
I'm just joking.
.....
Then.. What is it?
Well, actually...
cheers!
I'll tell you later
Okay?

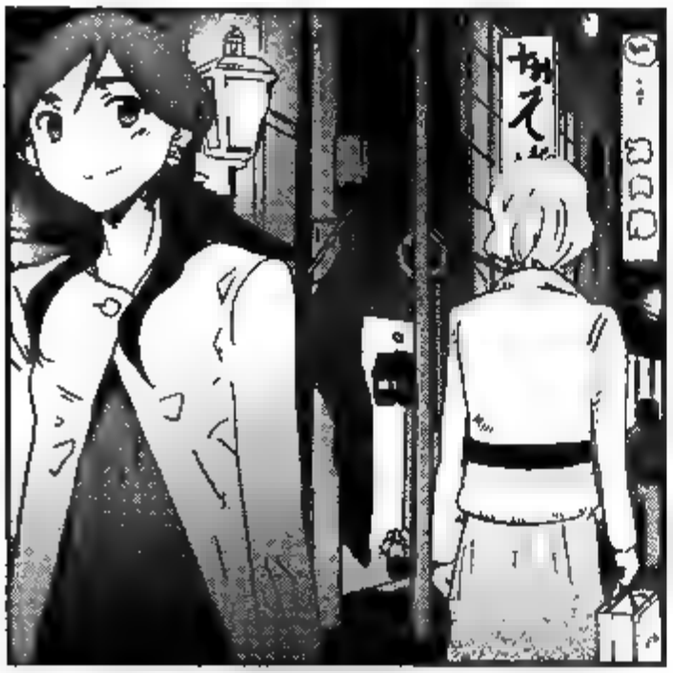
What about the after party?
I'm not going
Ha ha
Then, after we got some time for me?
Sure
Thanks.
Good job on the speech
Cheers!
Considering that, wasn't there a lot of venom in your speech?
Well, I simply browsed the internet a bit to find some nice words.

Actu-
al y
Ah
Yes
What's
up?
Back
then, you
also..
Oh?
Next time
it's your
turn.
Aah
ah.
marry
Oyamada-
kun.
I don't
want to..

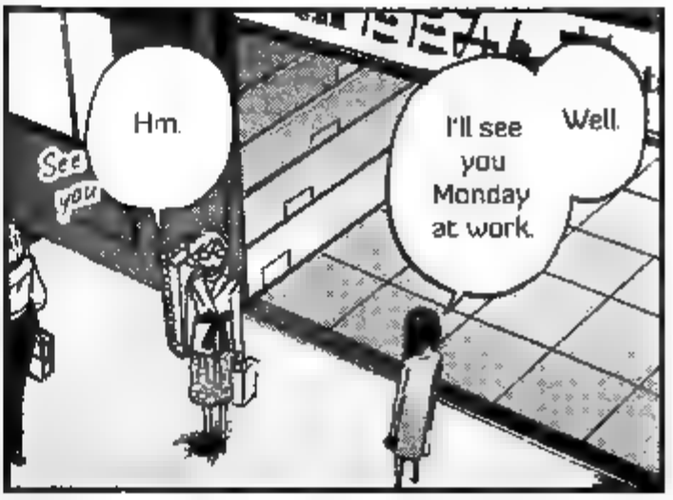
Hmm m?
Well, you know.
No, no, no.
That's not the problem.
What?
What's wrong with him?
Huh?
Hmm m?
It's really just...
Then what is?
Or maybe something more delicate, like religion?
Criminal record? Illness?
Gam- bling?
Debt?
You know, Bonnouji ...
...came about under miraculous circum- stances.
To me, it's like a miniature garden
In a way,
officially joining your partner's family means you get more "family," you know?
That's right
Getting married.
It's so se- rious.
Right.
That means that things won t stay the same as they are, right?

If a big change happens, like us getting married,
I'm afraid it'll make that fragile place fall apart.
But. .
it's only the right thing to do
That's right.
I hate to do the right thing!!
What?!
It's impossible to wish for nothing to change if you get married.
I know it sounds stupid!!

Ah!
I see...To have a lover.
It's rather troublesome, right...?
Guh.
Even though you have a chance to sit at the main table..
But I guess happiness is some secret thing you keep hidden within, right?!
And what the heck is that: "miniature garden?!"
Are you drunk or some-thing?!
I-It's an unspoken rule amongst mature people not to hold drunken babblings over their head!!
That has nothing to do with this!!
From tomorrow on, I'll be saying it every day.
You meany!
Miniature garden!! Miniature garden!!
...don't tell me you don't want to marry your lovey-dovey boyfriend ever again!!
Uhh okay.
Please...
Just forget about it.
Oh, well, then



Sure
Go ahead.
please allow me to pay the bill
As an apology for what I've said,
Please let me pay



Hm.
See you
I'll see you Monday at work.
Well.

I don't think anything would change between you
Even if you two decide to get married
As for words of encou-ragement ...

But still...
Doesn't it annoy me to see the number of singles of my age gradually declining?
I'd get really jealous.
If Ozawa got married,

No way will I ever say anything like that
Someday, I suppose we will.
Marriage, right?
They sure looked happy.
And I'd be lying if I said I don't feel envious every time I'm invited to a wedding
I always have a feeling
that something is holding me back?

Too serious...!!
Marriage is too serious...!!
But talking about it with Watanabe really made it clear for me
I definitely don't want things to change between us
When I confessed
Even though I already made up my mind

...or, anything related to it.
She wants us to marry, but doesn't have the courage to mention it.
This mood.
Ever since she returned from her kohai's wedding...

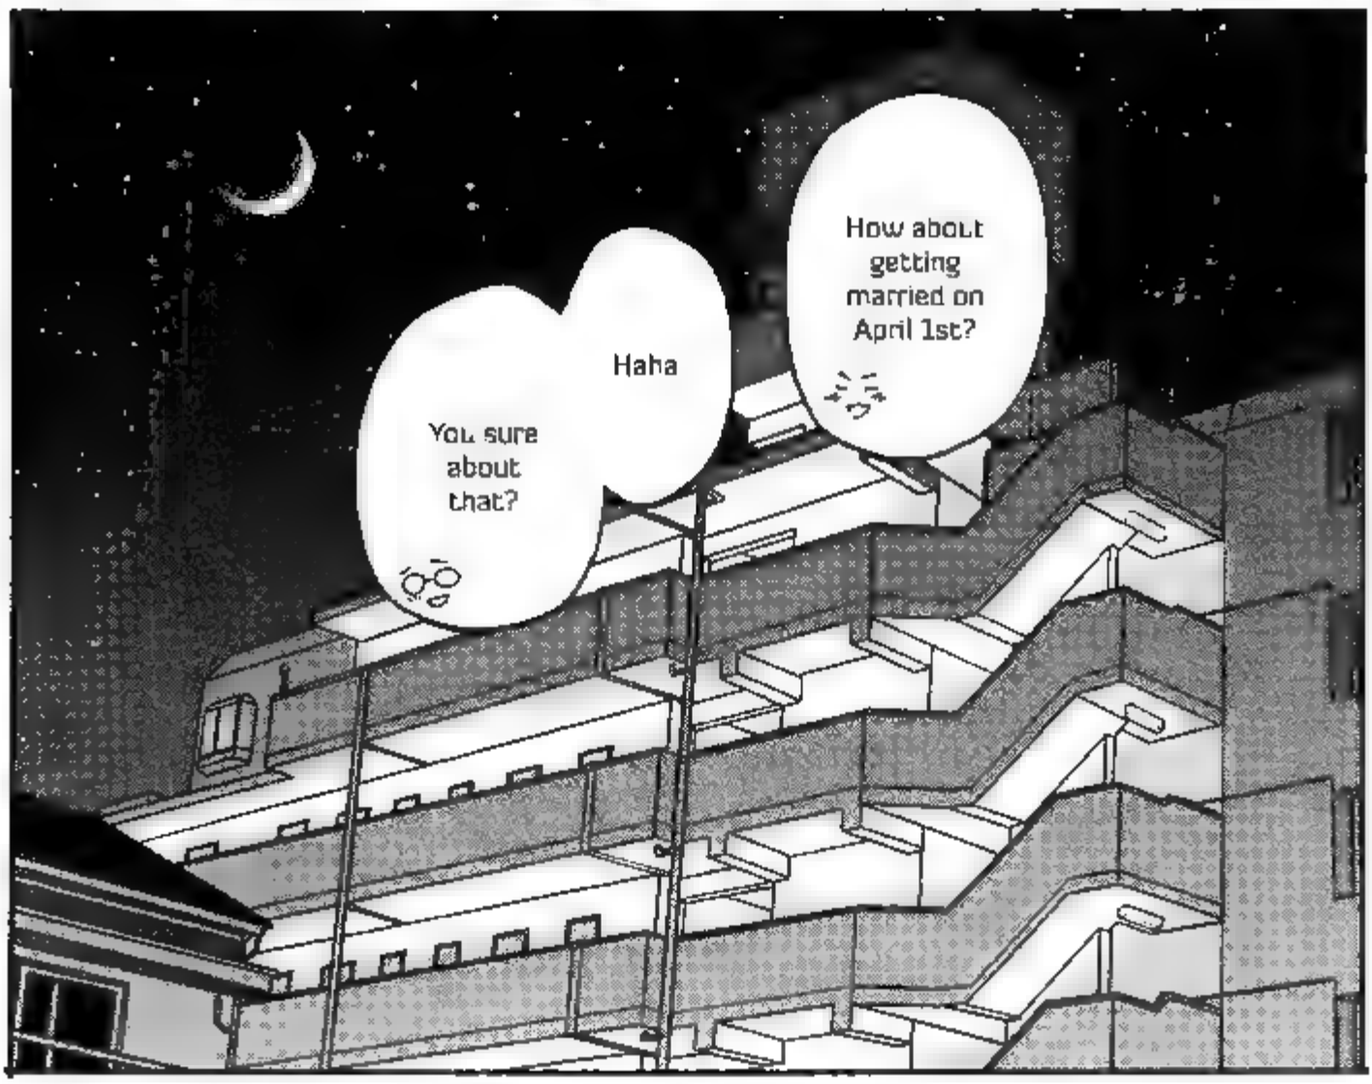
I-In time,
It would be nice if we got married too...
Right?

Hm?
Ozawa-san.

?
Well.
In time.

Saying ...
It'd "be nice" in time
Way too casual
...!
Sorr
うどん
Huh?
Too casual
...
Ha-a-a-a
...!?

suddenly disap-peared
Ye...
Yes.
It'd be nice to get married in time!
It feels like all my seriousness over this
You're right
うん



How about getting married on April 1st?
ふふ
Haha
You sure about that?

Aaaaaaah!
Miniature garden!
Miniature garden!
Miniature garden!

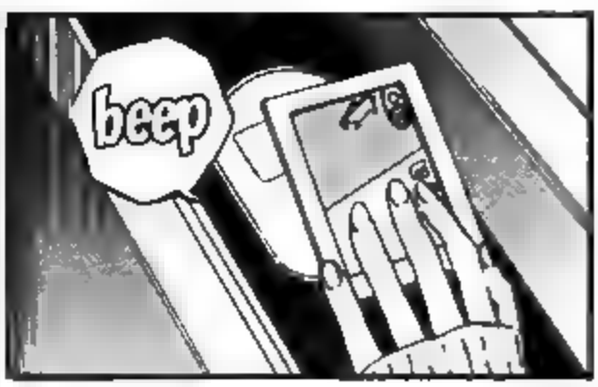
Throw your book away!
Not at all.
I just want to go outside
You're quite dressed up today, aren't you?
Hm?
Really?

Don t you ever th nk we're at home too much?
?
What s up?
Nope
?
How unusual
Did you get tired of hanging out here at Bonnou ?
That's the problem
When peop e spend their days staying ns de drink.ng cockta s and eat.ng snacks
What do you think happens?
Umm
It's been cold outside lately
That s true
we even brought out the kotatsu
And that we just die away every weekend here?
Oh
They gain we.ght.
, did

Chapter 29

Same here
It's been a long time since I went out in the city



beep

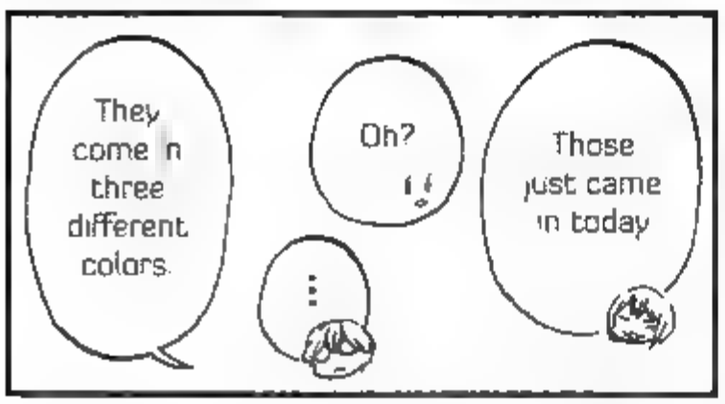
Hmm?
Hey
...

I see
The only exercise I get is when we get out
You know
At work I always sit down the whole time, too

Isn't this the first time we've gone out together?
Oh
Now that you mention it.
Ha ha
It's a nice change of pace
GRRR
What's up?
What?
Aaah!!
Aha ha
Let's go back!
It's a habit
I automatically went to the platform to catch the train to work.

I'm on a diet!!
OH!
I'll be strong till the end!!
No
Im fine
Wanna s t?
Yes
Are you sure?
Let's stand there
All right
Wel, let's wa k aro nd a bit, okay?
Sure

Can we go there for a while?
That shop
You bet



They come in three different colors.
Oh?
Those just came in today
...

Ah
It looks nice
I think this would look good on you

...
Oh, okay
You're holding the navy one right now
We also have these colors

Thanks
Great.
If you like, you can try it on in front of the mirror

Excuse me
Which one do you think will suit him best?
Well, let me think...

I see
So, I'd like him to wear some more color
Ha ha ha
The girls often say that about their boyfriend's clothes
Well, in the winter, he wears just plain shirts right?
Ha ha
What color, for instance?
What kind of clothes does he usually wear?
Maybe green or purple, or pink
I'll leave that to Ozawa-san...
Say a specific color?
Then do you have any other preferences
Ha ha
Frankly, they're a little too conservative
They're all brownish or monotone and are on the casual side
Yes
Let me carry that
We found a lot of nice clothes!
Thank you for your help
Understood
Okay! Let's go!!
Go
Maybe a place for a belt, or a bag or glasses or something
Where would you like to go, Oyamada-kun?
We could go to a bookshop or another clothes store or a department store
Next
All right!

Yeah.
Sounds good
A s t down meal.
What would you ke to eat?
oski
It s not a big deal.
but miso soup is a uquid, so you say you drink t, right?
Hm?
want to drink some miso soup
All right.
What s up?
Me too.
I m quite hungry
That's right
don t think you sip broth e ther
Or maybe,
but you wouldn't sip miso soup, right?
Maybe you would with broth.
you could also say you sip it, right?
On the other hand, because "broth" has the kanj for "sip" in ts name
Let's ask Google-sensei when we get home.
indeed
It doesn t really matter

I'm sorry for the wait
In this case
This miso soup has a lot of solid pieces
I have no objection
"eat," right?
It should be...

Today
I savor the ultimate happiness from having a boyfriend
Eh!?
The boiled fish and baked fish were also delicious, right?
Yes
And the meal had plenty carbs too
Let's go there again!!
The portions were just the right size
I see
I can sample and enjoy many more dishes in one visit!
Because we can share in a restaurant,
To be more specific
What do you mean?
She means this date right?
Oh
Absolutely
Alright! Let's burn off the calories!!
giggle
giggle

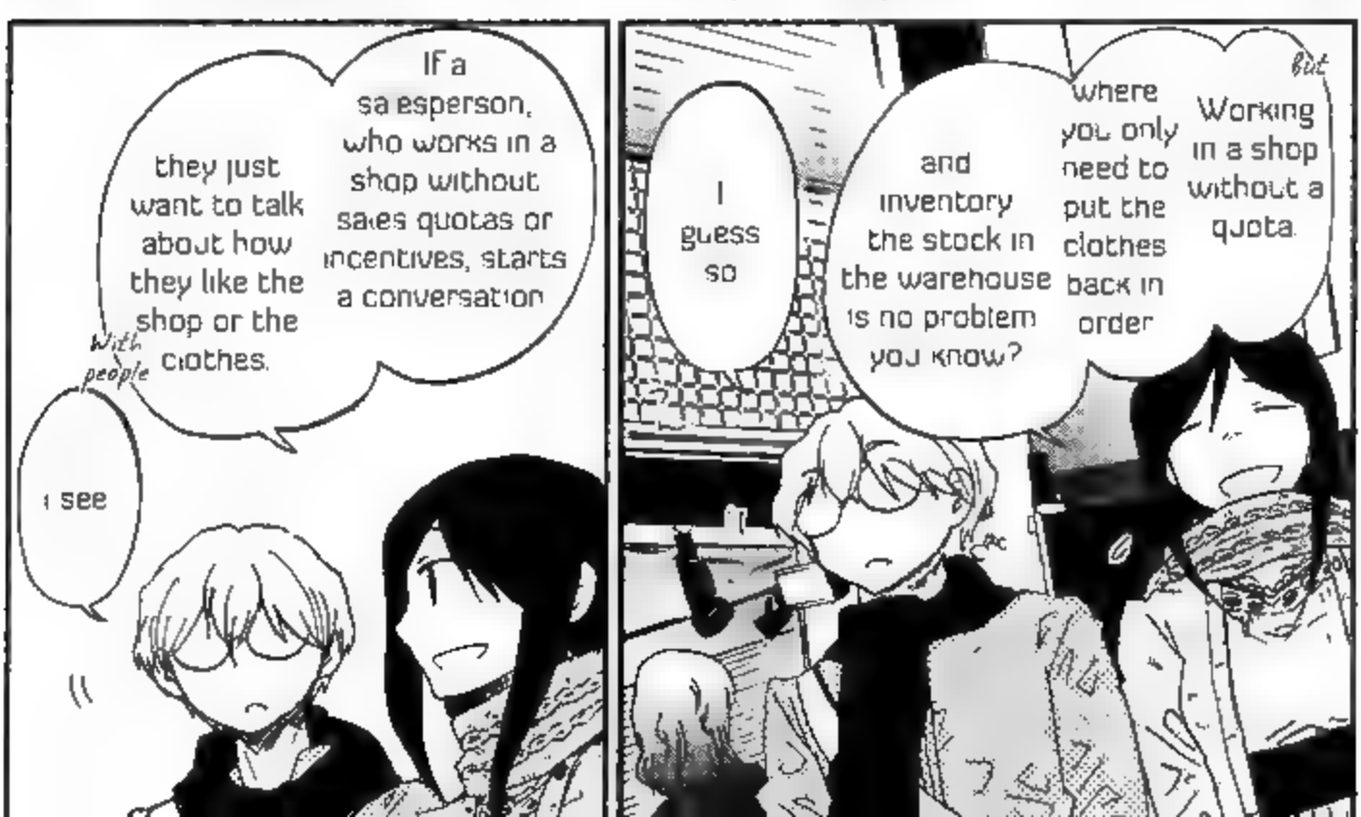
Thank you very much
Somehow really just liked the atmosphere of this shop
Are you looking for something?
No, not really
Do you mind if I go in?
Go ahead!
We also have a variety of couples rings
You think?
Oyamada-kun you have long fingers, so I think this would suit you
That's right
A lot of people come here specially for the accessories
You have a lot of accessories.
We do sell a lot of rings
Huh?
Huh
Just really, you two.
Hanano
Well.. if you do
Oyamada-kun?
If I buy it, would you wear it?

No. I'll go get the others for you
Miss. Is this your full selection of rings?
Thank you
We have plenty of rings
Any-thing s fine
Which one do you like?
Here s the rest
...
Serious
Umm Well
And th s one?
No good
Maybe.
Th.s one?
Well
How about this one?

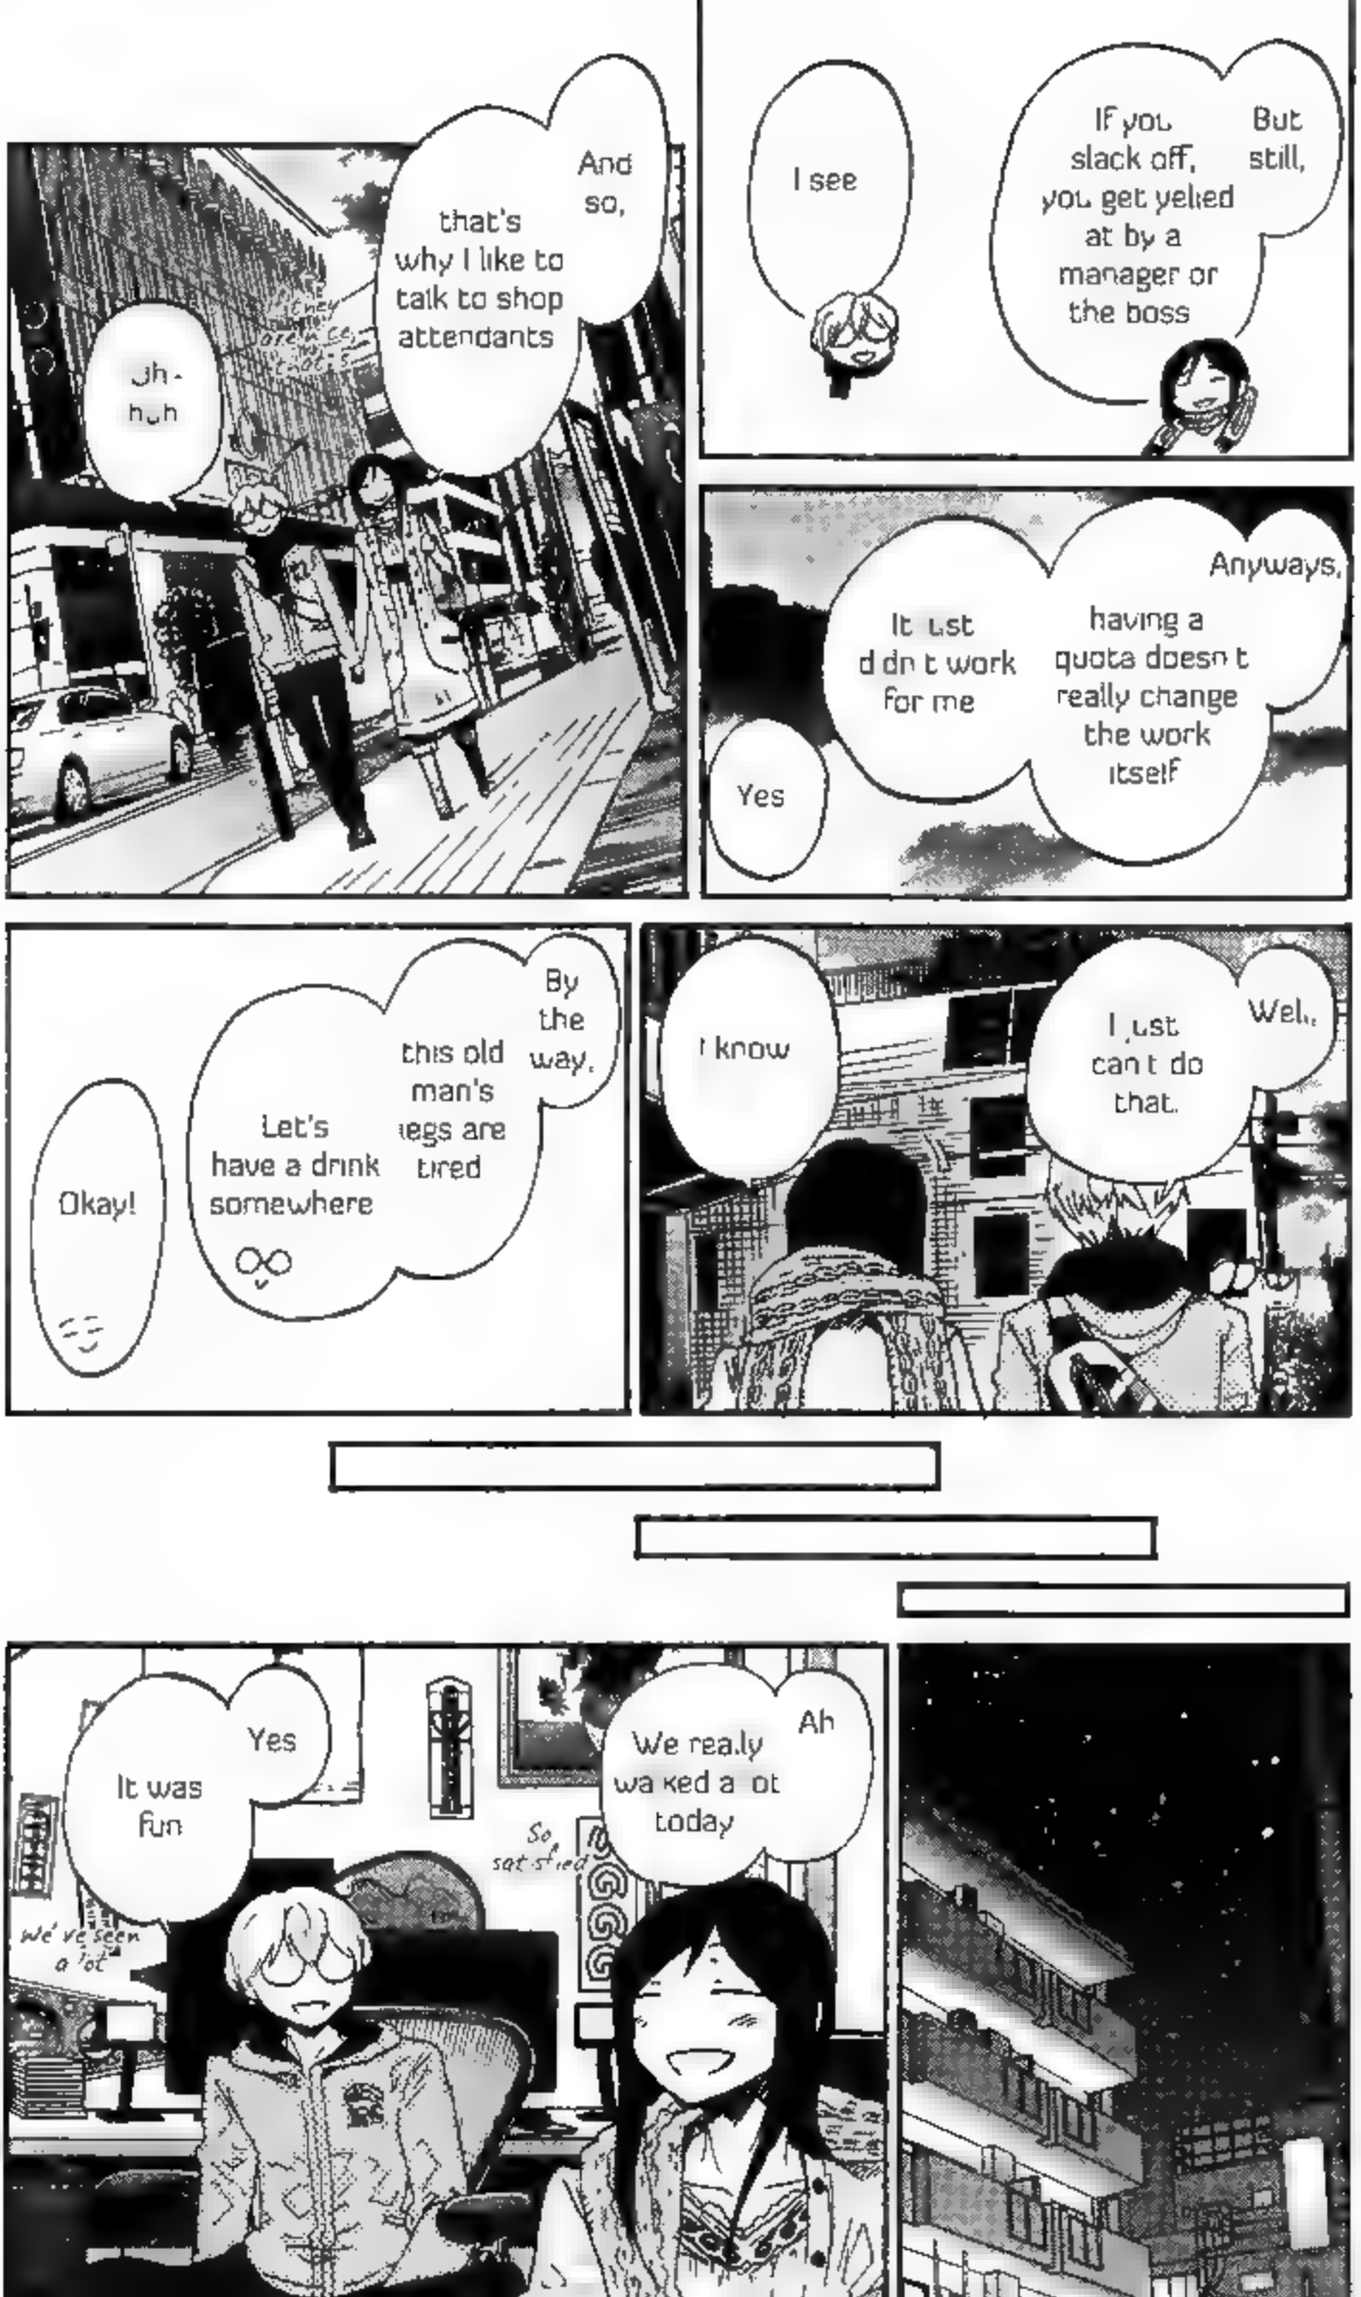
You'll get used to wearing a ring in a few days
You'll even get used to the skull head in no time
What!?
I have no experience with this
That's all right
Young man didn't you say anything was fine?
Right?
Um
Well
おはは
Thank you very much.
Ahaha! Oyamada-kun with a skull head!!
Is that so?
No don't like the skull head
It doesn't suit me
Thanks
Goodbye

Hey, Ozawa-san.
...
I used to work part-time in a clothing store.
I feel that making small talk is also part of the job. To reach your quota,
you quickly learn to recognize who wants to chat and who doesn't.
Some shops have a quota system?
What?
...
Ah
Yes
You sure talked a lot with that shop lady

Oh
Since then, at job interviews, I would always ask if there was a quota. If there was, I would decline right away
It was really pretty bad. After discussing it with my manager quit immediately.
I once worked in a shop with quotas
Oh, yes



If a salesperson, who works in a shop without sales quotas or incentives, starts a conversation
they just want to talk about how they like the shop or the clothes.
With people
I see
I guess so
and inventory the stock in the warehouse is no problem you know?
where you only need to put the clothes back in order
But
Working in a shop without a quota

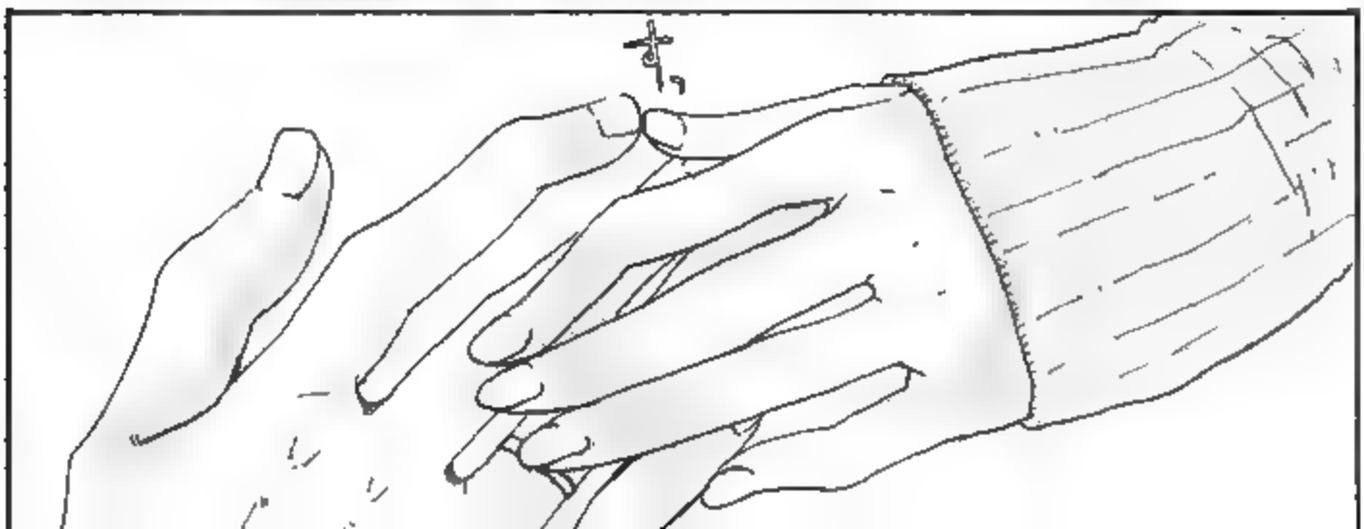


I see
But still,
If you slack off, you get yelled at by a manager or the boss
Anyways,
having a quota doesn't really change the work itself
It just didn't work for me
Yes
And so,
that's why I like to talk to shop attendants
Uh-huh
Well,
I just can't do that.
I know
By the way,
this old man's legs are tired
Let's have a drink somewhere
Okay!
Ah
We really walked a lot today
So satisfied
Yes
It was fun
We've seen a lot

Here
Oh
This is yours, right?
?
SCCC
Just a sec
Hm?
How about you?
You're not wearing yours?
This feels weird

Look!
I hung it on my necklace!
Oh!!

This way I can wear it to work
Like this, even Shimapon and Watanabe won't notice right?
Oh, that's clever



Some how,
I feel really happy
Me too
We are really couple of idots right?
Yes we are

Huh?
All of them are correct.
Sip, eat and drink.

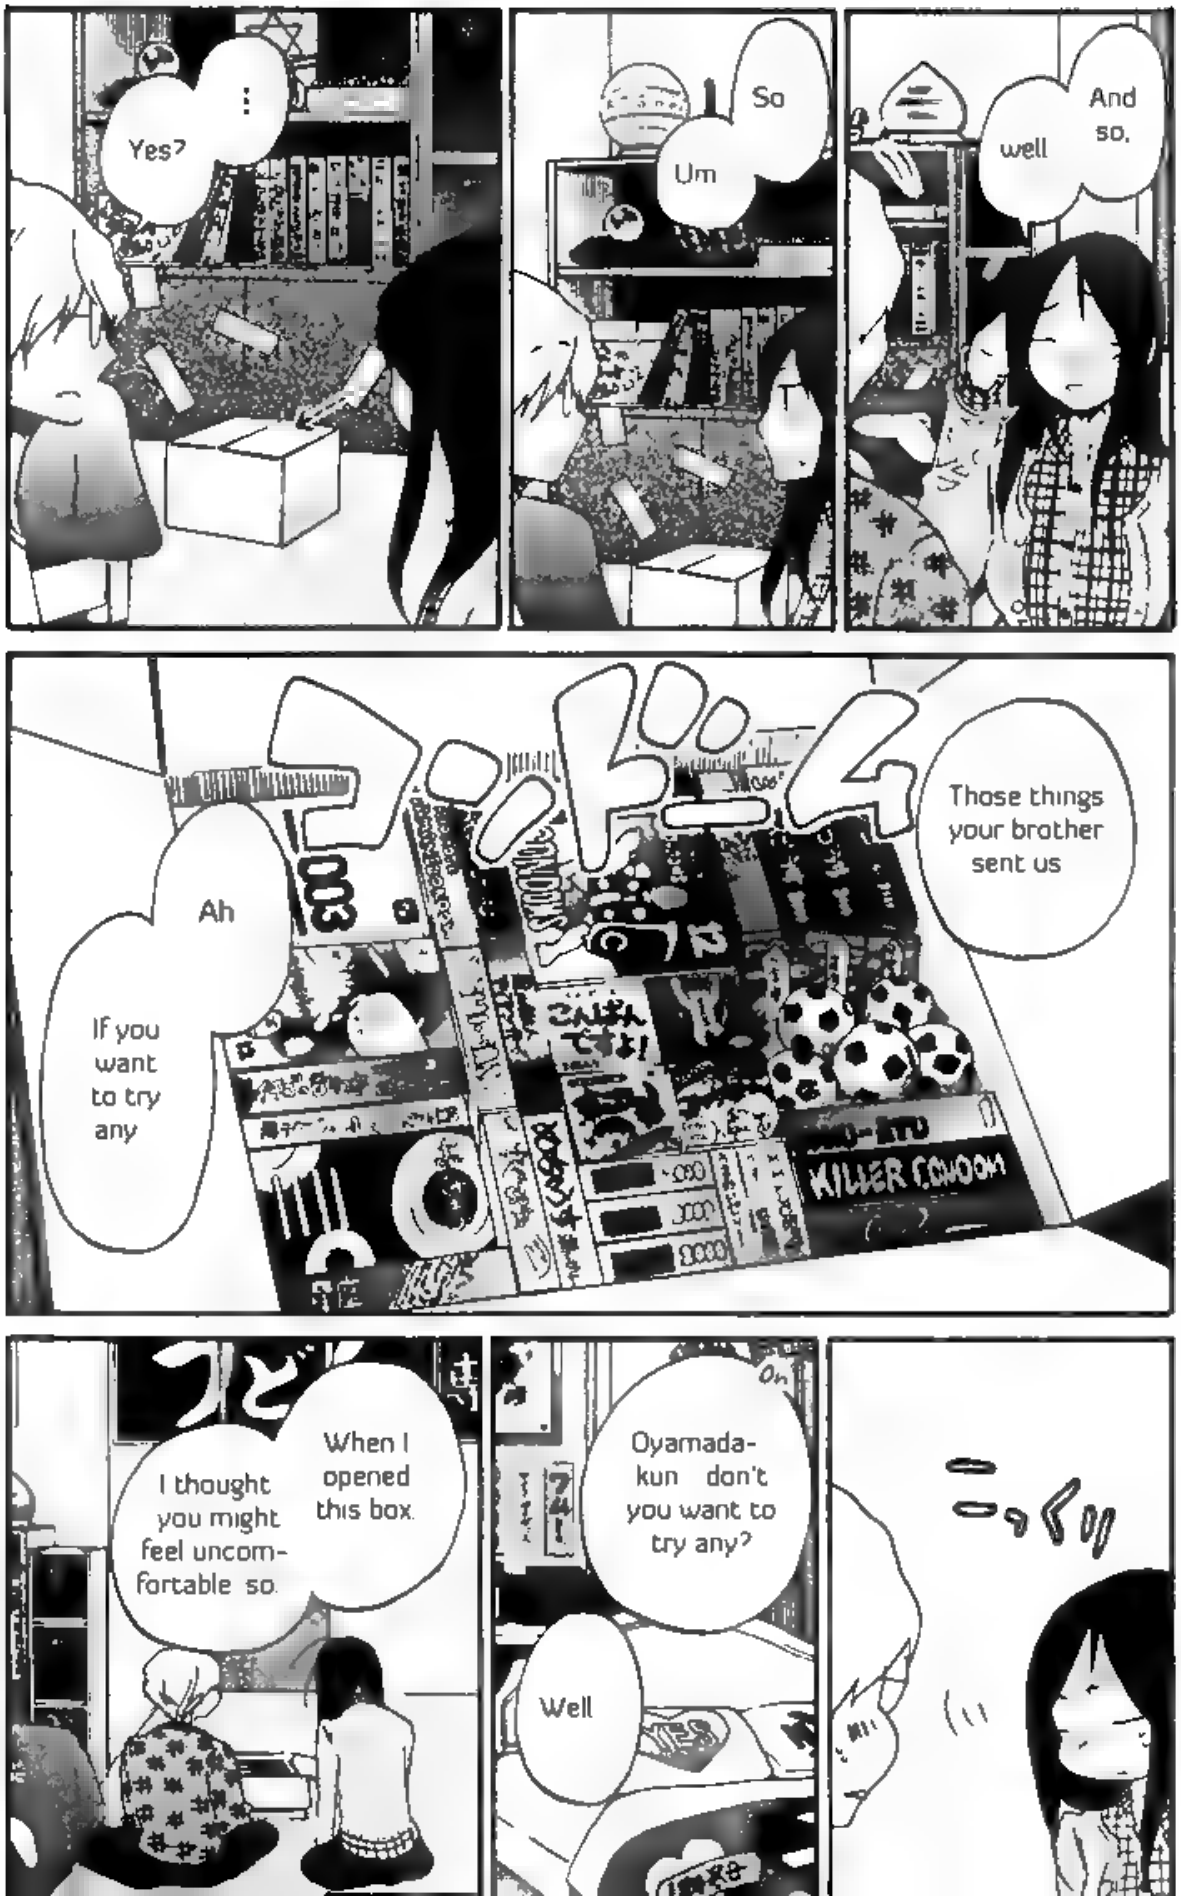
At last
Chapter 30
m home
Hiya

Yesterday, it was already quite chilly
But today it's really cold, right?
Absolutely
It's really cold outside
Yes, I know
Excuse me
Go ahead go ahead
Aah!
This feels like heaven
Having a kotatsu is really nice, right?
Watch out!
Geez!!
Sur-prise!!
Hyaa!!

Eek!
Tee-hee-hee--hee
Cold as ice!!
So warm
Ha-ha-ha
He-he.
Eh?
...

Ozawa-san?
It's fine
Oh-
...
Are you teasing me?
Yes.
Well,
Don't they always say that you get lonely for no reason when it gets cold?
Do they?
But,
my boyfriend is waiting for me when I get home
That's you
You bet.

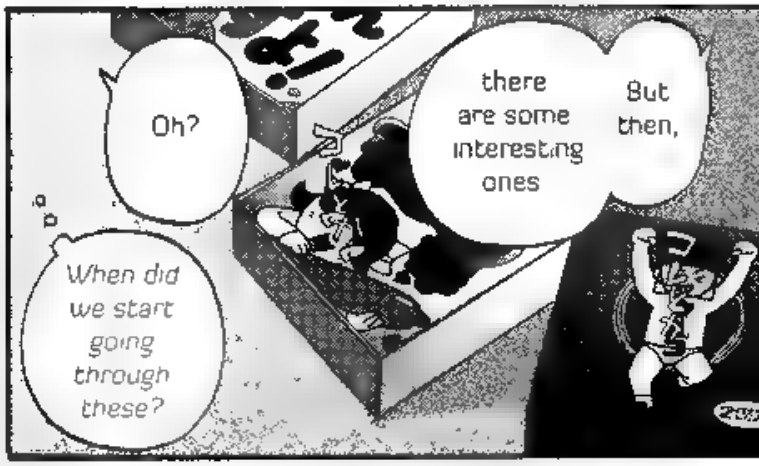


Yes?
So
Um
And so,
well
Those things your brother sent us
Ah
If you want to try any
When I opened this box.
I thought you might feel uncom-fortable so.
Oyamada-kun don't you want to try any?
Well

This one
glows in the dark!!
…
BRIGHT

W-well
t certainly d d surprise me
I don't like underwear in the dark
f you wouldn t want to

Why wou d you want t to ?



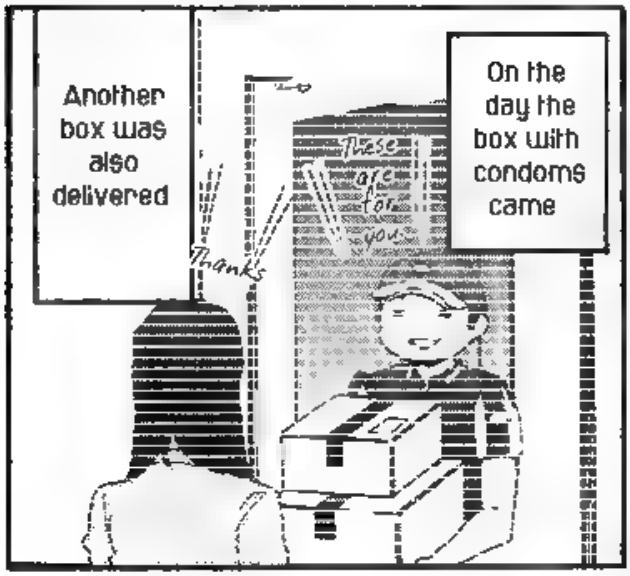
Oh?
When did we start going through these?
there are some interesting ones
But then,

Woah.
I'll gather my strength and willpower and deliver for you!!
Even if you burst out laughing at my equipment glowing in the dark,

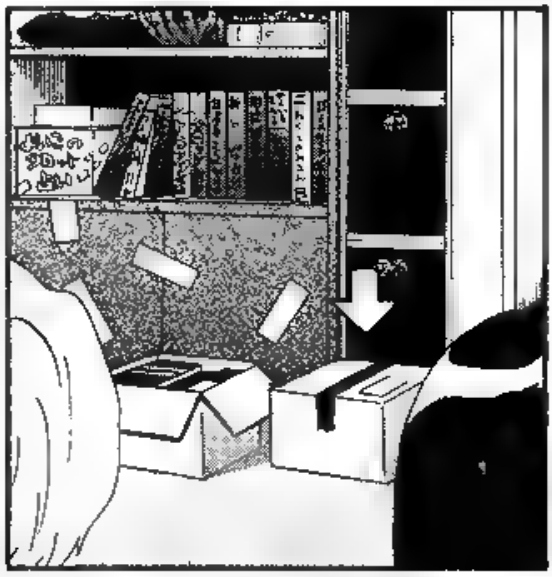
Ozawa-san
I will do my best
Eh?

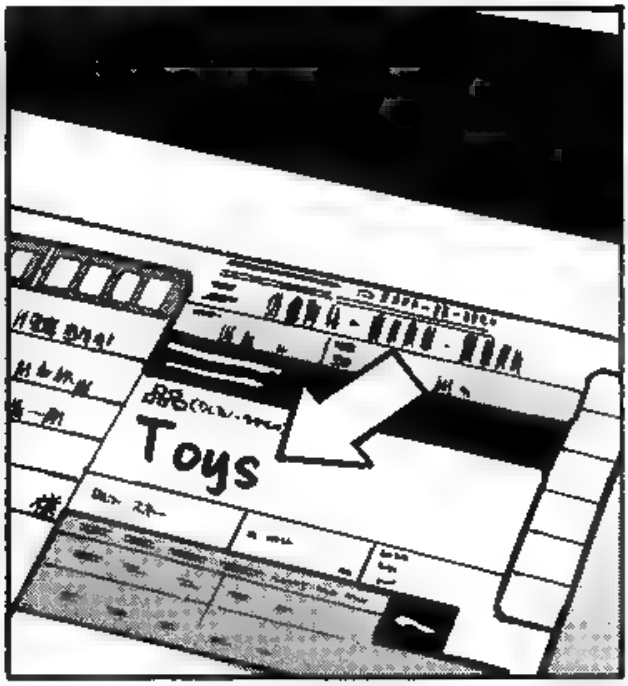
thanks
Tha
So cool. My boy-friend is so cool!!
Aha haha ha!!

What about the other one?
Hm?
By the way Ozawa-san
Ah



Another box was also delivered
On the day the box with condoms came
These are for you
Thanks



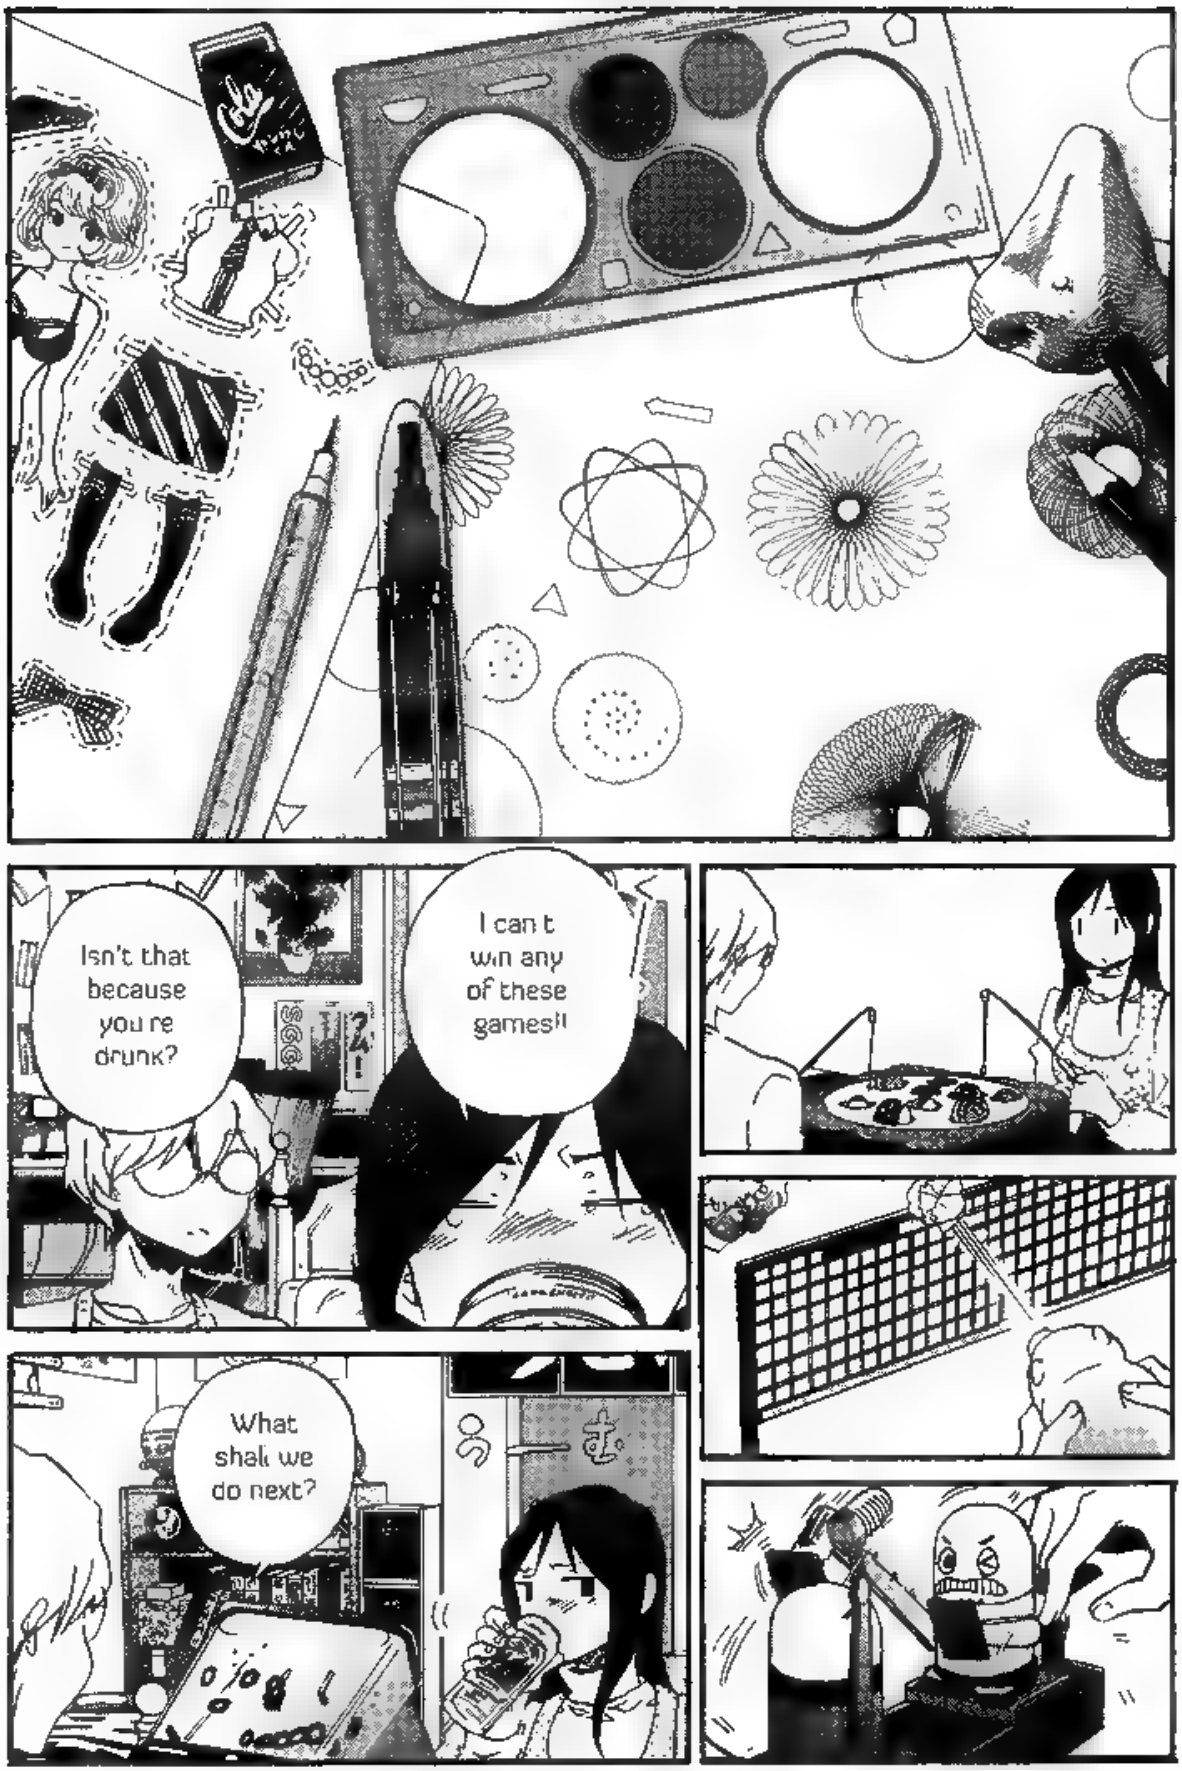


Toys

Sounds good
How about this? The one who guesses right can decide which rubber we use today?
The only alternative to that would be normal toys, right?
Do you think there are adult toys in that box?
Well, then of course my guess is that these are adult toys right?
Well, I say they are normal toys!
I guess

All right!!
That night
Oyamada-kun's equipment glowed in the dark...

Hm?
But, you know
HaHa
Guess it does
makes a pretty interesting picture
A grown woman playing with kid s toys with a beer in one hand
We also
got this
I looked it up on the internet just now They call it Spirograph
Doesn't it?
Wow, makes me feel nostalgic
This drawing set



Isn't that because you're drunk?
I can't win any of these games!!
What shall we do next?

Ready?
GO!!
you sure?
Let's play a game of thumb wrestling!
Ahead-to-head competition without hand-caps!!

Yes!! In 10 seconds.
I won!!
...
Huh?
Got you!!

Ozawa-san
You're sly
It's your own fault you let your guard down
Can't hear you
You're sly in more than one way
A good drink always tastes better when you're celebrating a victory!!

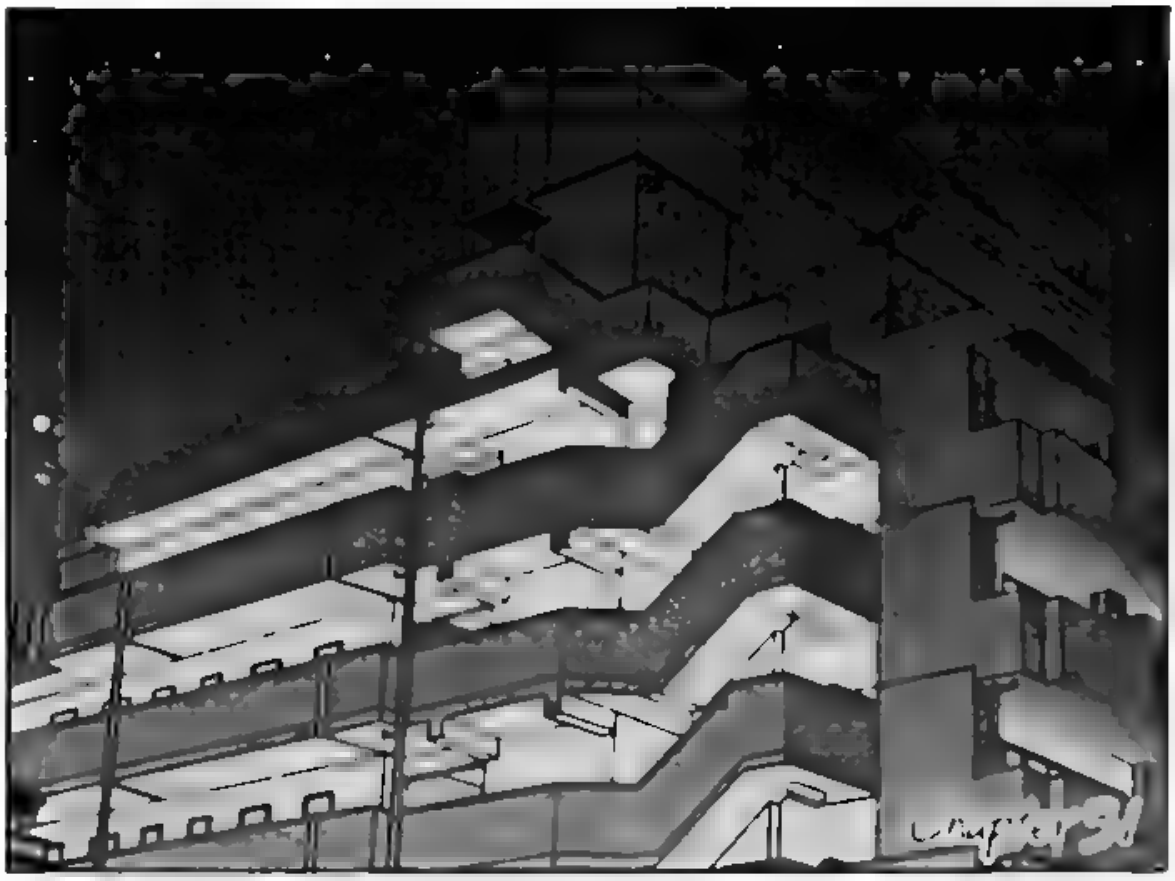
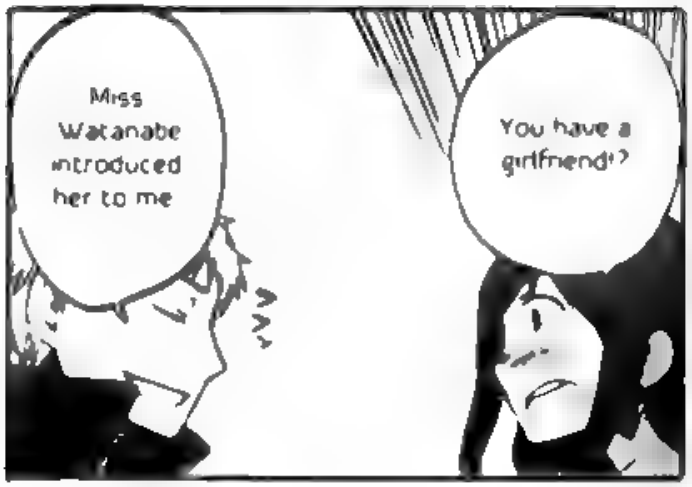
Hi
Hey
Oh
You came at a good time
Yeah?
We're playing sugoroku*, but it's boring with just two players.
*T/N: Sugoroku: a type of Japanese backgammon
You guys are...
What?
... Amazing.



What!?
we've been fighting every day
In the two weeks I've been going out

you guys are such a strange couple
What do you mean?
...



Miss Watanabe introduced her to me
You have a girlfriend!?

huh?
You guys you really never fight?!
Sure
Will you tell me?
Really? Who is it?
...
understand
see
I can tell from this atmosphere
Well, just a little
You want to fight?

I guess I am
Are you an idiot?
...
...
I keep wondering why we never fight
So that s why
Maybe
I guess so
But
isn t it strange if a couple never fights?
honest!?
Then, maybe you two simply like the same things?
Oh!
I see
The entire time
Did you fight with your previous boy-friends?

...
And he doesn't get angry when I complain about work
...
But
Oyamada-kun never complains about my drinking and smoking
stopped smoking
...
He listens to everything I say
...
He also never loses his patience

Watanabe?
...
Eek!!
Well
If you're both happy, it's fine right?
...
sorry
...about your love life!
Seriously!!
How dare you even complain...

I forgot about that statement
Yes!
Oh!
It would be nice if you two just got married right?
Just don t go on and on about it
Hey.
Give me more alcohol.
I m sorry!!

But I'm not really sure
My ultimate goal was to get a boyfriend
I get the feeling that
Marriage
While Oyamada kun isn't
I'm always complaining and cranky
I just want to stay as we are now I guess
P/N: bubbles blank in the original manga
And so
It feels like I want to avoid forcing the vivid prospect of marriage for a little bit longer
Sigh

I'm extremely blessed
I am ..
It's cold
When I get back, there's a warm home waiting for me
and also a partner willing to listen to me
But
What about him?

I'm back
Wel-
come
home

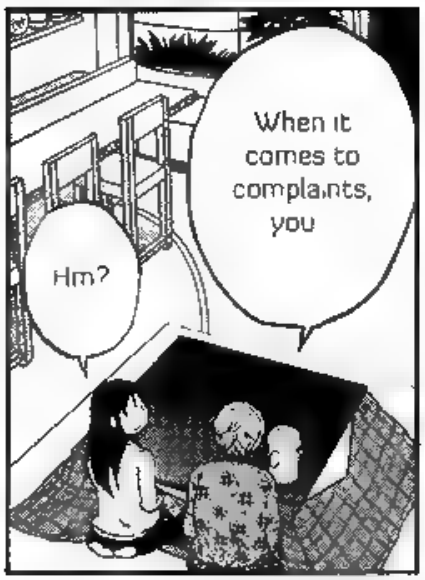
Hm?
Or do I irritate you?
Oyamada -kun, don't I ever make you angry?
Are you tired?
What's up?
Hey
Yes
Ah
You're still worried about what Shimapon said
Right?
Well, when it comes to that,
I understand your complaints
.....
I see
Well, something like that.
.....
Don't you think I complain too much?
mm

Tell me
Tel. me!
What?
What gets on your nerves?
What ?!
You can actually feel annoyed some-times?
Hm?
Yes of course
Then, you never feel irritated?
Sure
So, it never really bothers me much
Honestly
Okay
and, no matter how many times I check, I can't find the cause
Yes, yes!
Fo- For example, when I get a call from a client that there'strouble
Well
Yes!
So?
Well?
Hm?
STEAM
glug glug
How boring
As thought
and they only say, "It s not my fault, I booted my PC as usual."
I unwill-ingly call the client.
but I still can't find the cause
check it once more,
While I already suspect it's not my fault

Oh, yeah!
At such a moment, I do feel a little irritated
I hate it when people bother me with petty problems.
Yes.
So then it's still my job.
so I work all day to find the bug and fix the program
And so
Everything's already solved
Then I suddenly get a call
Then,
when I looked through the specifications I got a few days later,
the programming language was the usual
eh?
Well
Anything else?
Anything else?
Oops
But the application was for Germans.
Yes
Well, as I can work with most programming languages, I agreed
Once a client asked me, "The language is different from usual, is that okay with you?"

When I contacted the client,
they said, "But if I told you the truth, you wouldn't have accepted it, right?" and, "But I didn't lie!"
Just like that
...
SGGG
マネーゲッターズ
24!

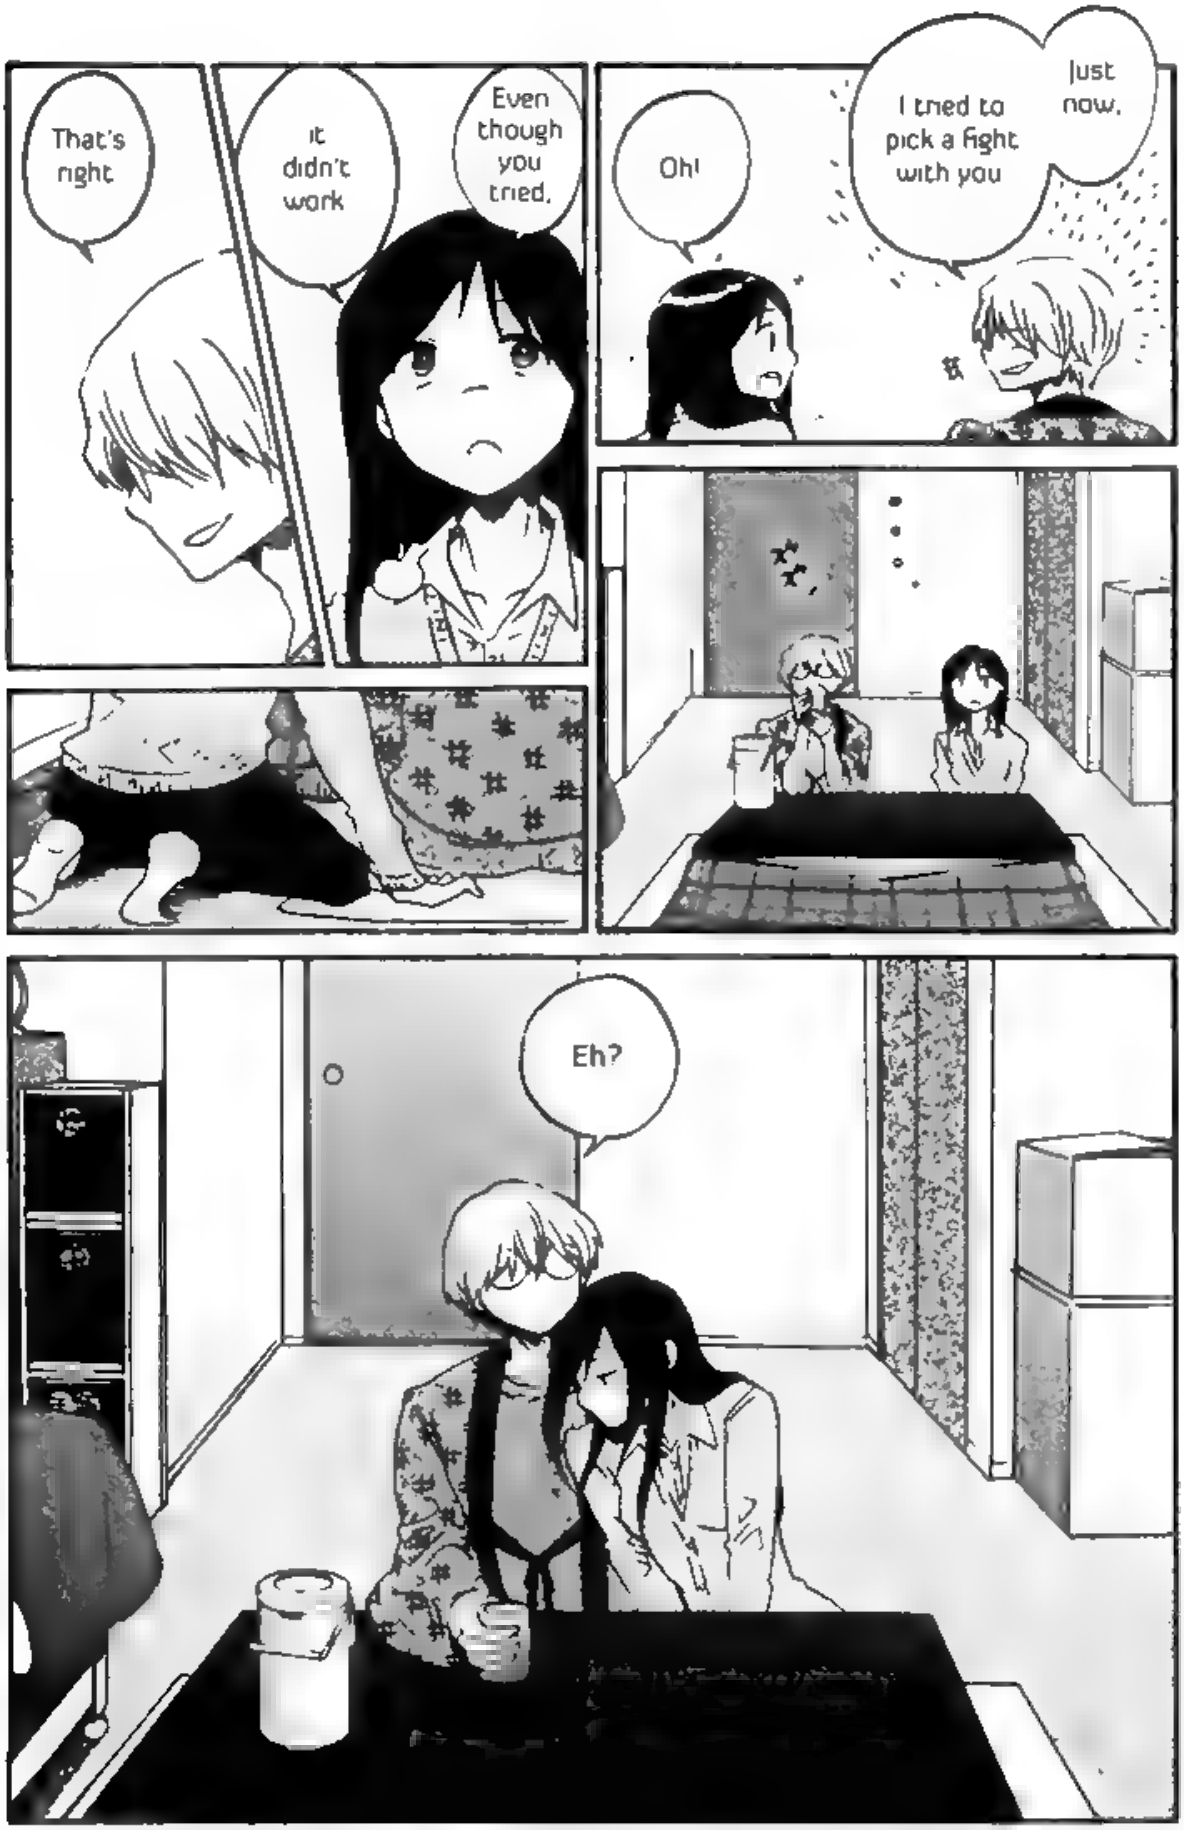
Needless to say,
such things really tempt me to cancel the contract
I see



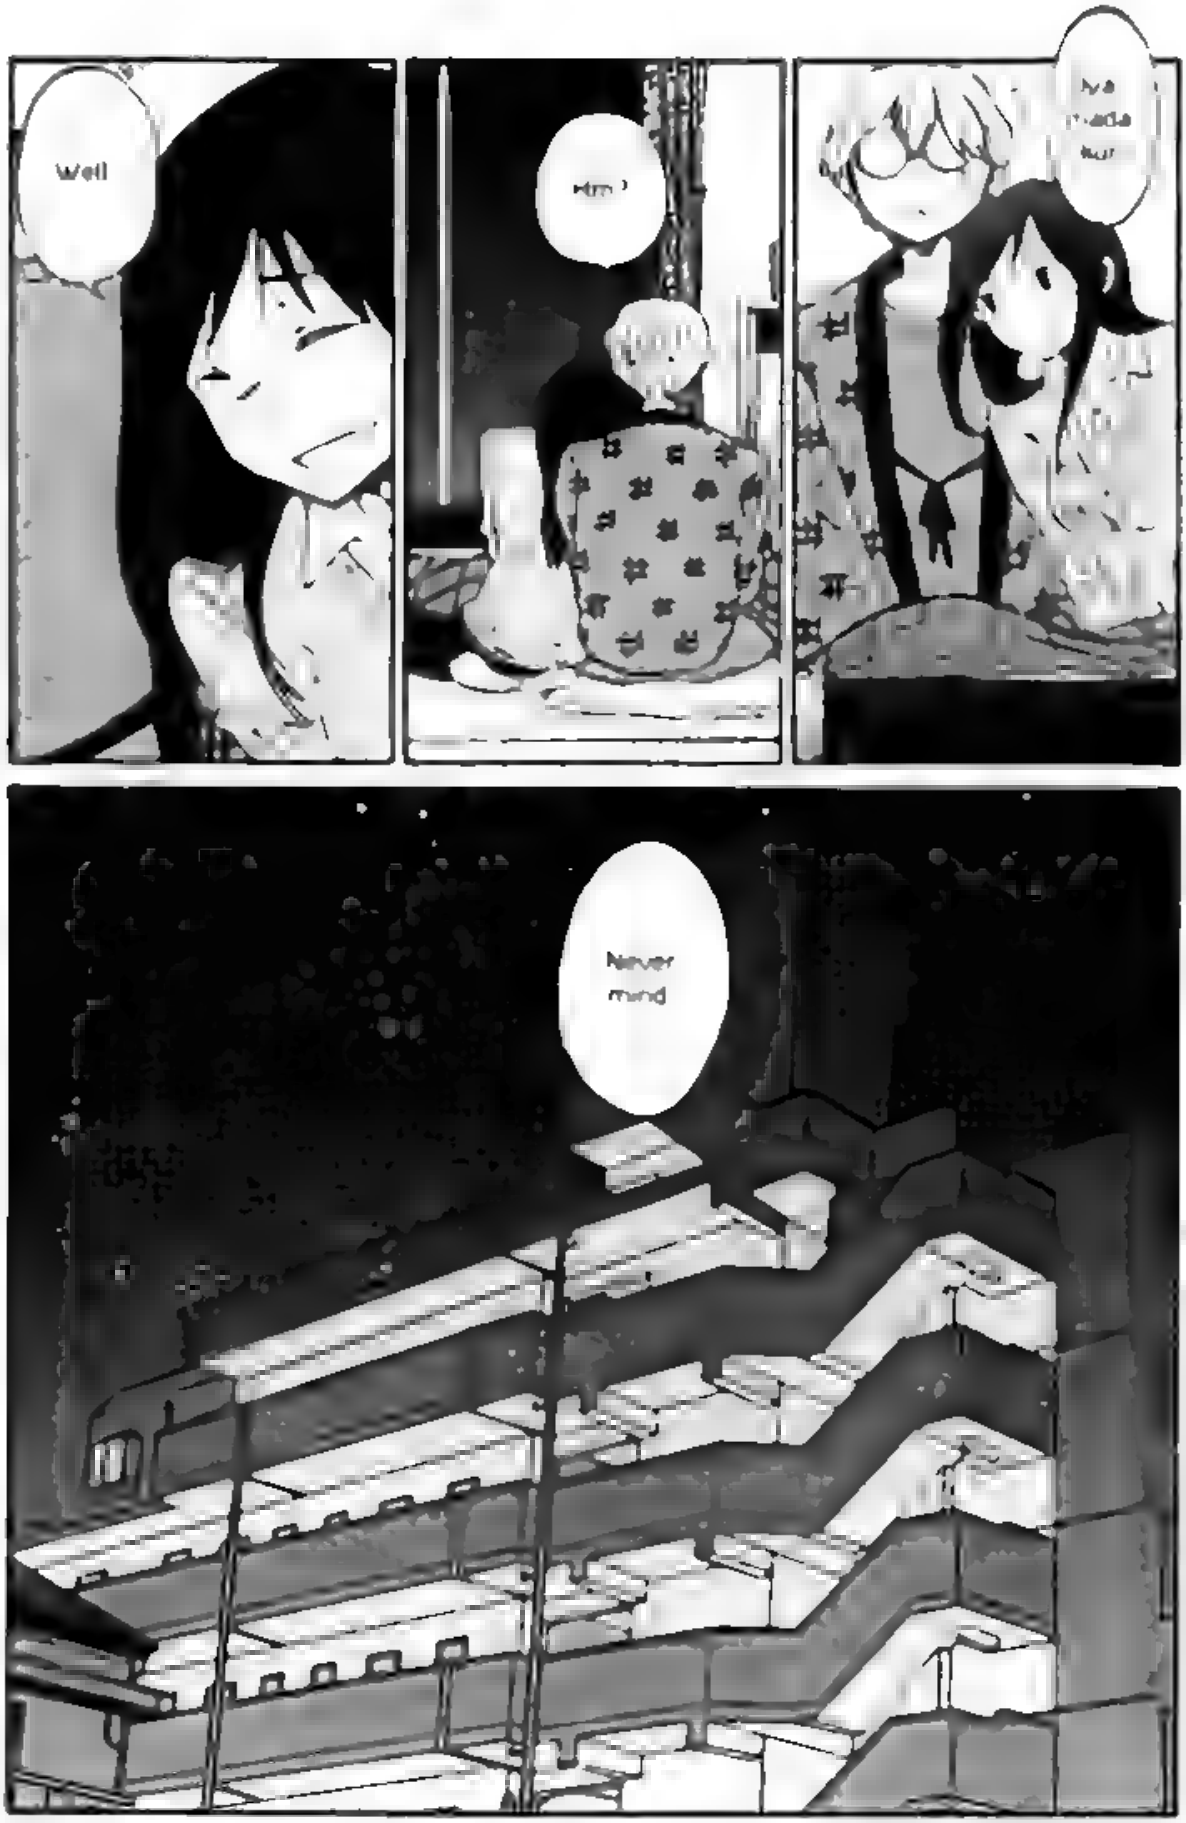
When it comes to complaints, you
Hm?

Or when people are unreasonable
Or when they tell me spiteful lies I guess
I hate it when I can't find the cause of a problem
Well, in other words,

...oh?
But your gripes are reasonable, so that's all right
are a blabbermouth when you're drunk.



That's right
It didn't work
Even though you tried.
Oh!
I tried to pick a fight with you
just now.
Eh?



Well
Hm?
Never mind

I also feel irritated when I don't get enough sleep.
I see.

You really came at a good time eh?
You bet!
Tonight you're having Shishinabe!

How?
How what?
It appears that Satosh. san s off in the mounta ns.
WHAT !?
Well, do you think he hunted the boar him- self?
mpos- s b e
How do you know what he's doing?
Oh, Hm? sends me e-mails once in a while
So . the fact that he sent us wild boar meat..?
Of course! I knew that.
WHAT !?
But
He's only leaking information about you two.
That's all
...

Because I told Satoshi-san that you guys would like some
Oh
Yes?
Ozawa-san
Ah
In that case.
there s only enough for two
The meat —
Shima-pon.
Y- You can have my share.
Okay !!
That s cruel
Diet!!
EEEK!!

I'm full.
...
Ahhhh! That tasted great.
I want to eat some-thing!
Just a bit.
Just?
Just...
Ozawa-san?
Oh?
That's true
Yes.
This way, you'll only increase your appetite
You're trying too hard.

ガチャ

There's nothing to e-e-eat!
That's because the four of us ate up everything when Watanabe-san came over, remember?
We did?

どん

Ozawa-san

T/N: konbini = convenience store

Dazs = Häagen-Dazs = American ice cream brand

Well I guess
A date, huh?
maybe it is
Is it hard to hear me?
If I wear this hood
But it's hard to have a conversation
Yes
Oh!
We're alone,
so just wear it.
C'mon
Yes sir
...
!

My nose hurts
Mine too.
Yes
Pretty cold, h„h?
The stars are beauti-ful
Yes

You just bought meat buns and came home again
..you forgot the ice cream
We also brought pizza buns
So, in the end
I already sacrificed today!!
It'll be fine!! Guh
WHAT ABOUT YOUR DIET!?
Hey.
We also bought oden Oh
T/N: Oden = a dish with lots of ingredients in a soy-based broth
Ugh!!
You know, girls don't seem to like guys who nitpick.
Yes. I know that.
Guhh.
If you do that, you'll regret it tomorrow!

T/N: The Japanese phrase is ambiguous. Ozawa thinks Shimapon said, "Remember this."

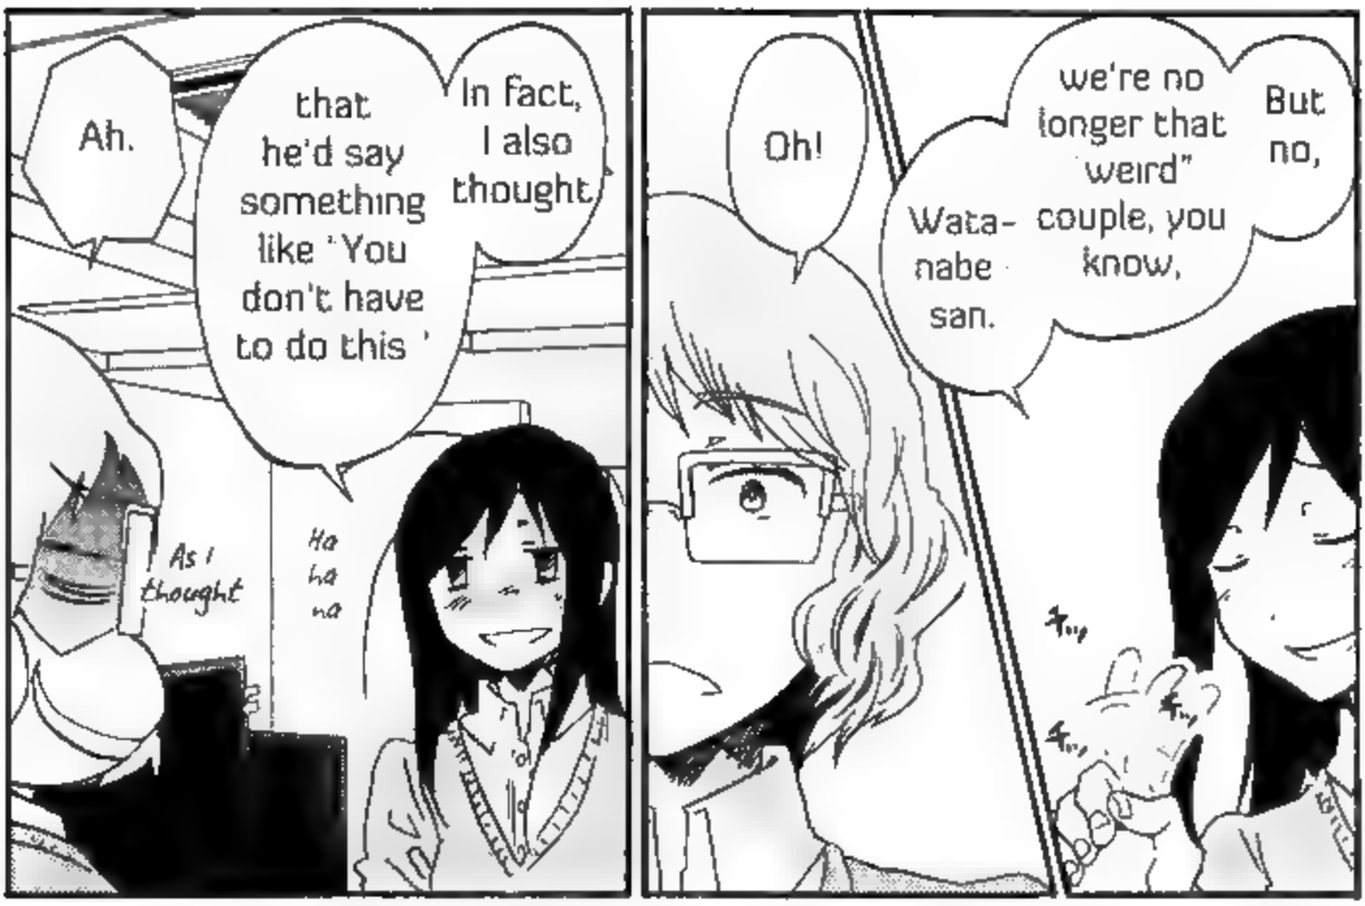
Chapter 32.5

I could serve them at work.
Really?
Well there are only a few more left.
Meat buns day and night. We're in Meat Bun Hell
Day n and day out
It's good these are pretty small.
But, well

Ooh.
Meat buns
Anyway, those meat buns aren't the real problem
It's the side effect of eating all those meat buns
Mean-ing ?
I see.
Meat buns
?
Okay
They were somewhere over here
Oh!
All right, here ya go

おおお
もも
もも
もも
もも

First of all,
I decided to adopt a life style with a good balance between exercise and work.
Therefore, I had to try something else.
And so, thanks to all the meat buns it was impossible to stick to a low-carb diet.
Hmpf
And?
Yes.
But because you two are still a weird couple,
Oyamada-kun said something like,
"You're fine just as you are." Right?
NICE!!



Ah.
that he'd say something like "You don't have to do this."
In fact, I also thought
As I thought
Ha ha ha
Oh!
Watanabe san.
we're no longer that "weird" couple, you know,
But no,

.. like that.
So, I think it's great you're on a diet.
Over time, extra body fat is going to sneak up on you.
You do have a desk job
But he actually said·
UH-HUH
UH-HUH

We're living together, feeling no constraints.
We're not a weird couple.
We aim to grow old together, I guess.
We've reached that level, see?
Oyama-da-kun is also..
you know ...
gradually showing his maturity in a good way.
I see
You guys are ridiculous.
Guh...
"Over time extra body fat is going to sneak up on you."
I have a feeling those two will stay together for a good, long while
It's too frustrating to put into words.

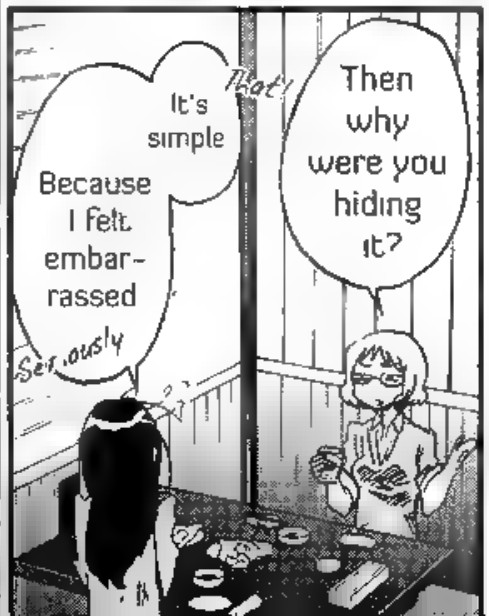
T/N: Title of the magazine is "Zexy"
Look!! It says Kumamoto edition.
Here!!
Don't get the wrong idea. His brother sent us this.
WAIT!!
ZE

The depth of the Metropolitan area edition is really amazing!!
I'm serious!!
Oh, so you're also reading the Metro edition, huh?
Guh.
Yeah, right
.....
That's all!!
I just enjoy comparing the Zexy magazines from all over the country!!
... ugh.
Confirmed singles often walk around with it...
The bridal information magazine... no, the Bible of wedding planning, Zexy.
Oh, right, it's often read by couples who aren't getting married.

Chapter 34

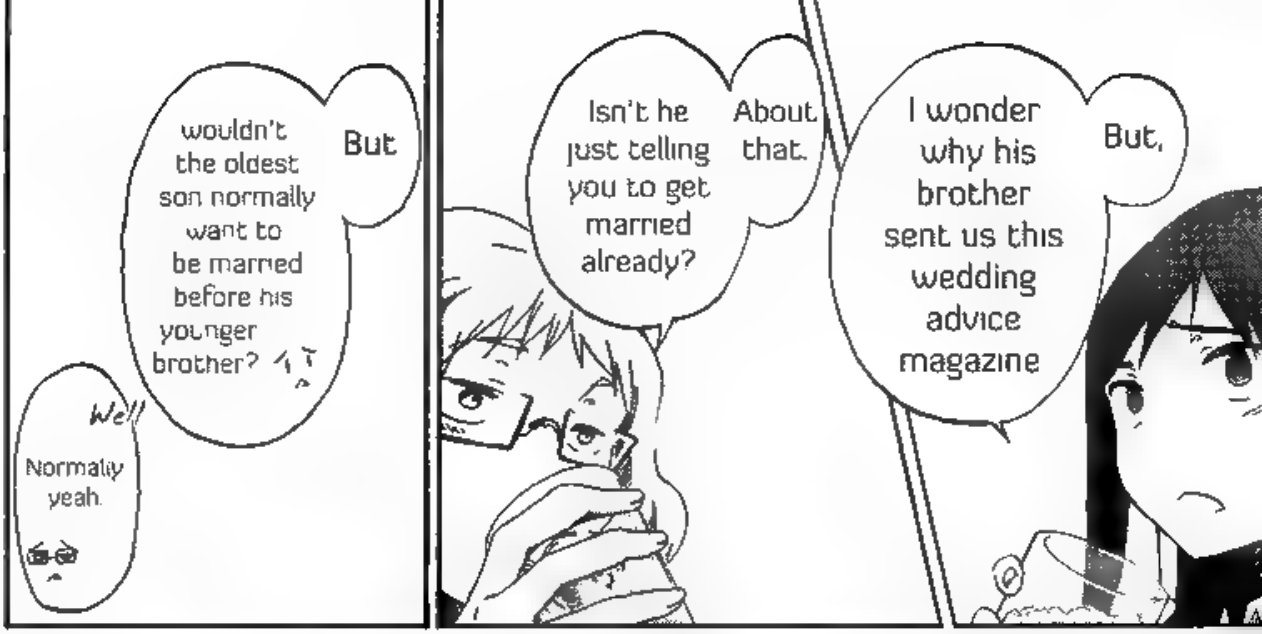
articles about failures or expenses or ways to mentally prepare yourself tend to catch their attention
...instead of the happy stories,
Also if people read it when they aren't absolutely sure about marriage
Aah

No, I really have no ulterior motives!

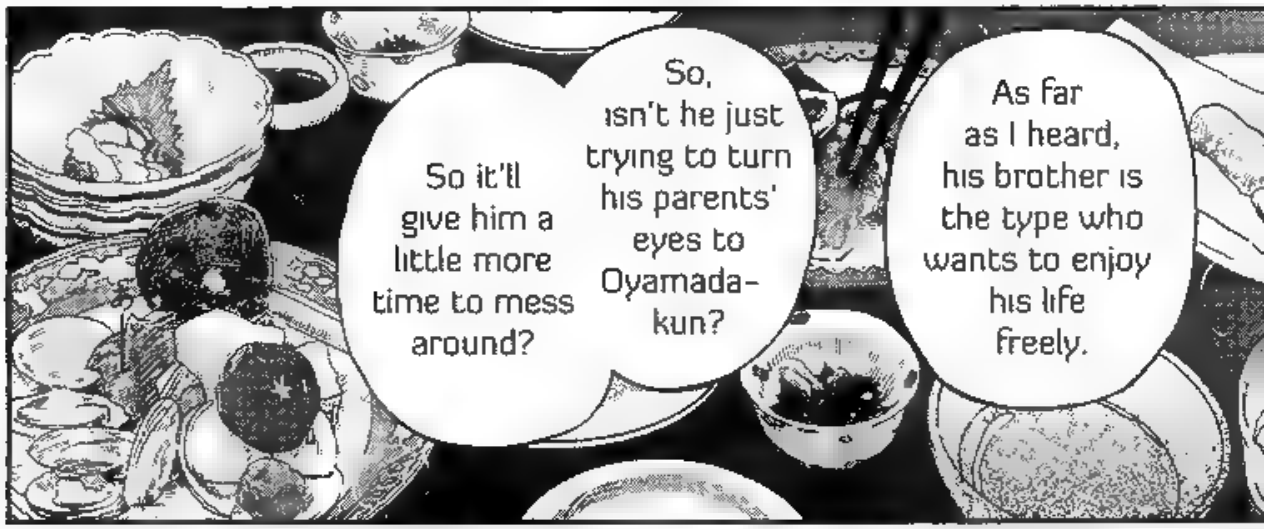


Then why were you hiding it?
That!
It's simple
Because I felt embarrassed
Seriously

There's some extreme pressure associated with marriage
Well
I guess I can understand that.

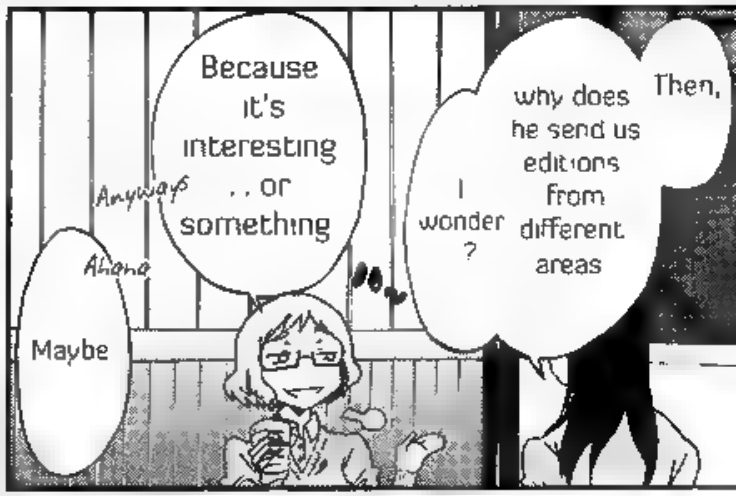


But
wouldn't the oldest son normally want to be married before his younger brother? ;;
Well
Normally yeah.
About that.
Isn't he just telling you to get married already?
But,
I wonder why his brother sent us this wedding advice magazine

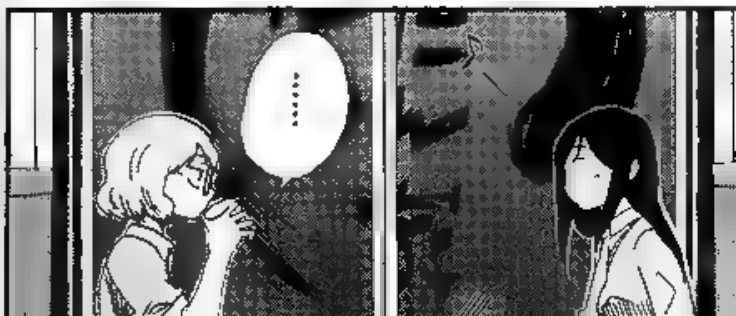


So it'll give him a little more time to mess around?
So, isn't he just trying to turn his parents' eyes to Oyamada-kun?
As far as I heard, his brother is the type who wants to enjoy his life freely.

Hmm?
You.
When you got that magazine Heh



Then,
why does he send us editions from different areas
I wonder ?
Because it's interesting . . or something
Anyways
Ahaha
Maybe

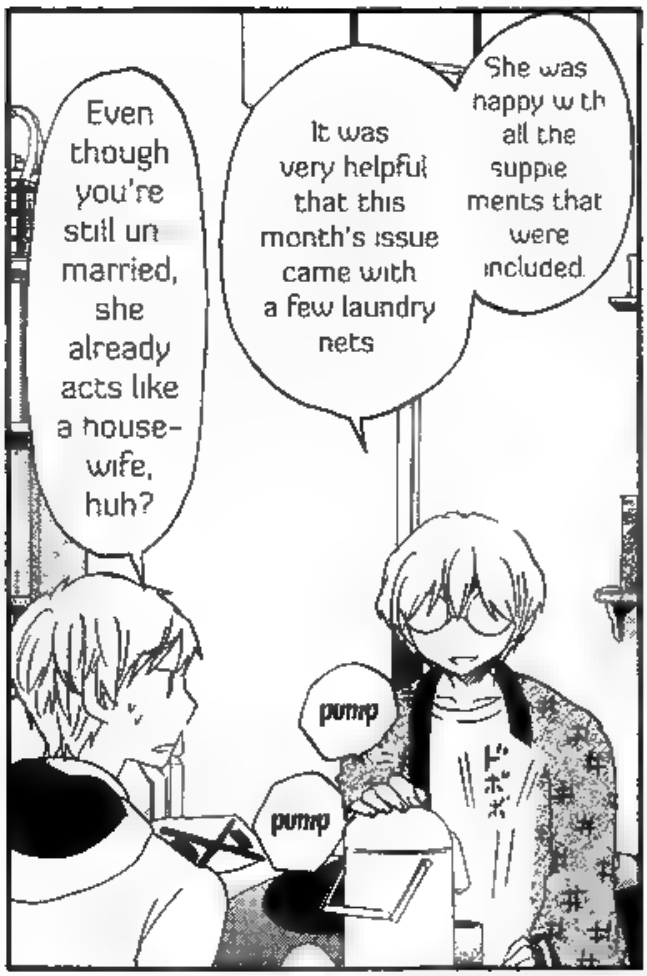


.....

You thought something like that, right?
C'mon Admit it
"His brother is pushing us to get married."
"It's annoying, but I'm happy."
Of course.
Getting to the heart, you huh.
Kanji: Bull's eye!
Even though you say this and that,
you really want to get married, right?
No, no, no!!
A marriage would ruin everything!
The only people qualified to say that are those who've been married before, don't you think?
Ugh.

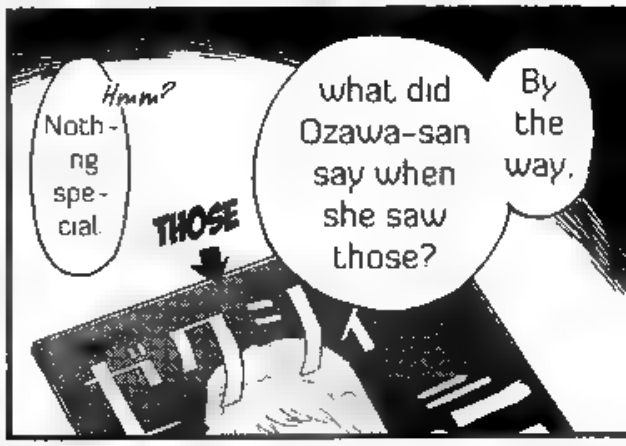
Become one of us again.
It's all right.
It's easy, free, and fun.
Seri-ously?
.....
You really still think you must preserve the status quo
.....
Come back to Rejection City instead of wasting your time!
Break up at once!!
Guh.
.....
Sure, I'm serious ♡
Peace
Peace
Come on in
What?
Are you studying?
Sort of
Hi!

GEH!
This.
You
...
That..
So I see
You finally decided to get married
Not right away
But someday
What?!
So why are you reading that magazine?
All of a sudden.
Because my brother sent us these
I see
That's why
He wants to redirect their attack towards me.
Right
It seems that's the best way he can keep up his study and training.
Satosh - san
told me your parents are pressuring him to get married already
Aah, that explains it.



Even though you're still unmarried, she already acts like a housewife, huh?
It was very helpful that this month's issue came with a few laundry nets
She was happy with all the supplements that were included
pump
pump

He said his girlfriend dumped him because of that.
Oh, really?



By the way,
what did Ozawa-san say when she saw those?
THOSE
Hmm?
Nothing special

Since she's an eccentric yet serious person,
I think she needs to work through all sorts of things
Have some tea.
Oh.
Thanks

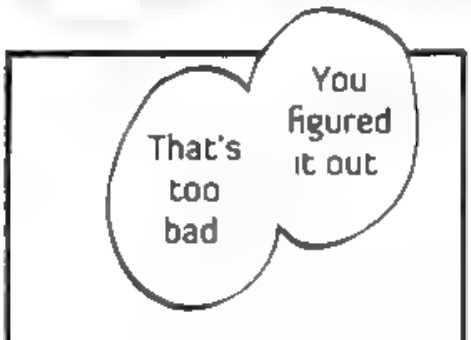
I always thought Ozawa-san was the type who wants to get married
Eh?
Yes
because she doesn't want to get married right away
I just think she evaded the subject,
pump

I don't care.
WHAT?!
Me?
How about you?
Right.
I don't intend to leave her
I meant to say that whether we get married or not, it won't change anything between us
Anyway
Just don't tell Ozawa-san I said that
Eh?!
I don't mean it like that.
Cripes! You!
If you said that to a woman, she'd be pissed
What's up?
...!?

Don't say it to me, just tell Ozawa-san
You're so shy.
That's not what
Okay, I get it I get it
Thanks for the meal
That s not
!!
You... that.
It's like a proposal.
Stupid
Really
You want too much.
Although you're still unmarried, you have a boyfriend
And don't say it's scary or trouble-some
Yes.
That
I know, but.
It really hurts

And every time you receive a honeymoon souvenir,
It reminds you of the many places here and overseas that you want to visit
Yes
That's right, but
That she seemed really happy to get blessings from everyone
That you were envious at that girl's wedding. And that her dress was cute
You said it yourself
Ye. yes
Come on, just get married already!!
Wedding ceremony, exchanging vows, honeymoon, children
Your life could become happier than anyone's it could get happier than it is now!
Eep!
Every time you pass by a jeweler,
you start talking about wedding rings, right?!
Huh?
Does. Does that happen?
Do I?

Wata-nabe
Are you all right?
What are you saying?
You aren't Wata-nabe
Are you getting drunk?
What? What's going on?
Who?
You...
Eh?
WOULD NEVER ENCOURAGE ME TO GET MARRIED!!
ABSO-LUTELY
WATA-NABE
...



That's too bad
You figured it out

My purpose is to herd people to the happiness of marriage!!
Eh?
I was sent by the secret organization Zexy.
Eh?
Indeed I
I am **not** Watanabe!!
Here, take these!
The building blocks of happiness!!
Dress!!

Rings!!

Take this!!
So much useful information!
But wait, there's more!!
Eek!

Suggestions of gifts for the wedding party
A sensible budget for expenses
Be sure to check out the venue in advance

OH. THIS?
What's that?

You missed the last train, so you took a taxi it was around 3 o'clock.
Yesterday, when did I come home?

My, my

What was it about?
Hey
That's right. I had this terrible dream
Just now

But..
.....
You don't want to get married?
But?
.. want to get married
It's not like I never...
Well
I know it sounds stupid We're at the right age, after all
If we get married, well, I guess someth ng will change
I have this feeling things will change
If we get married
Ah
Right.
Your surname

No.
You don't?
I see.
there will be any major changes.
Other than that, I don't think
Ozawa-san.
Hmm?
...

I don't intend to ever leave you, so
... well,
I don't think anything will change between us if we get married someday.
Right.
In short,
I mean, would you want to marry me?
マジ?マジデスカ
SGGG

I would be
fine with that
Yes
How about it?
Well
I guess so
And later:
Oh, yeah

Shim-apon revealeded.
Those words He said them all to me first!
You!
I TOLD YOU NOT TO TELL HER!
...that this proposal was not spontaneous.
In my heart, I'll try to remember it as a genuine proposal.

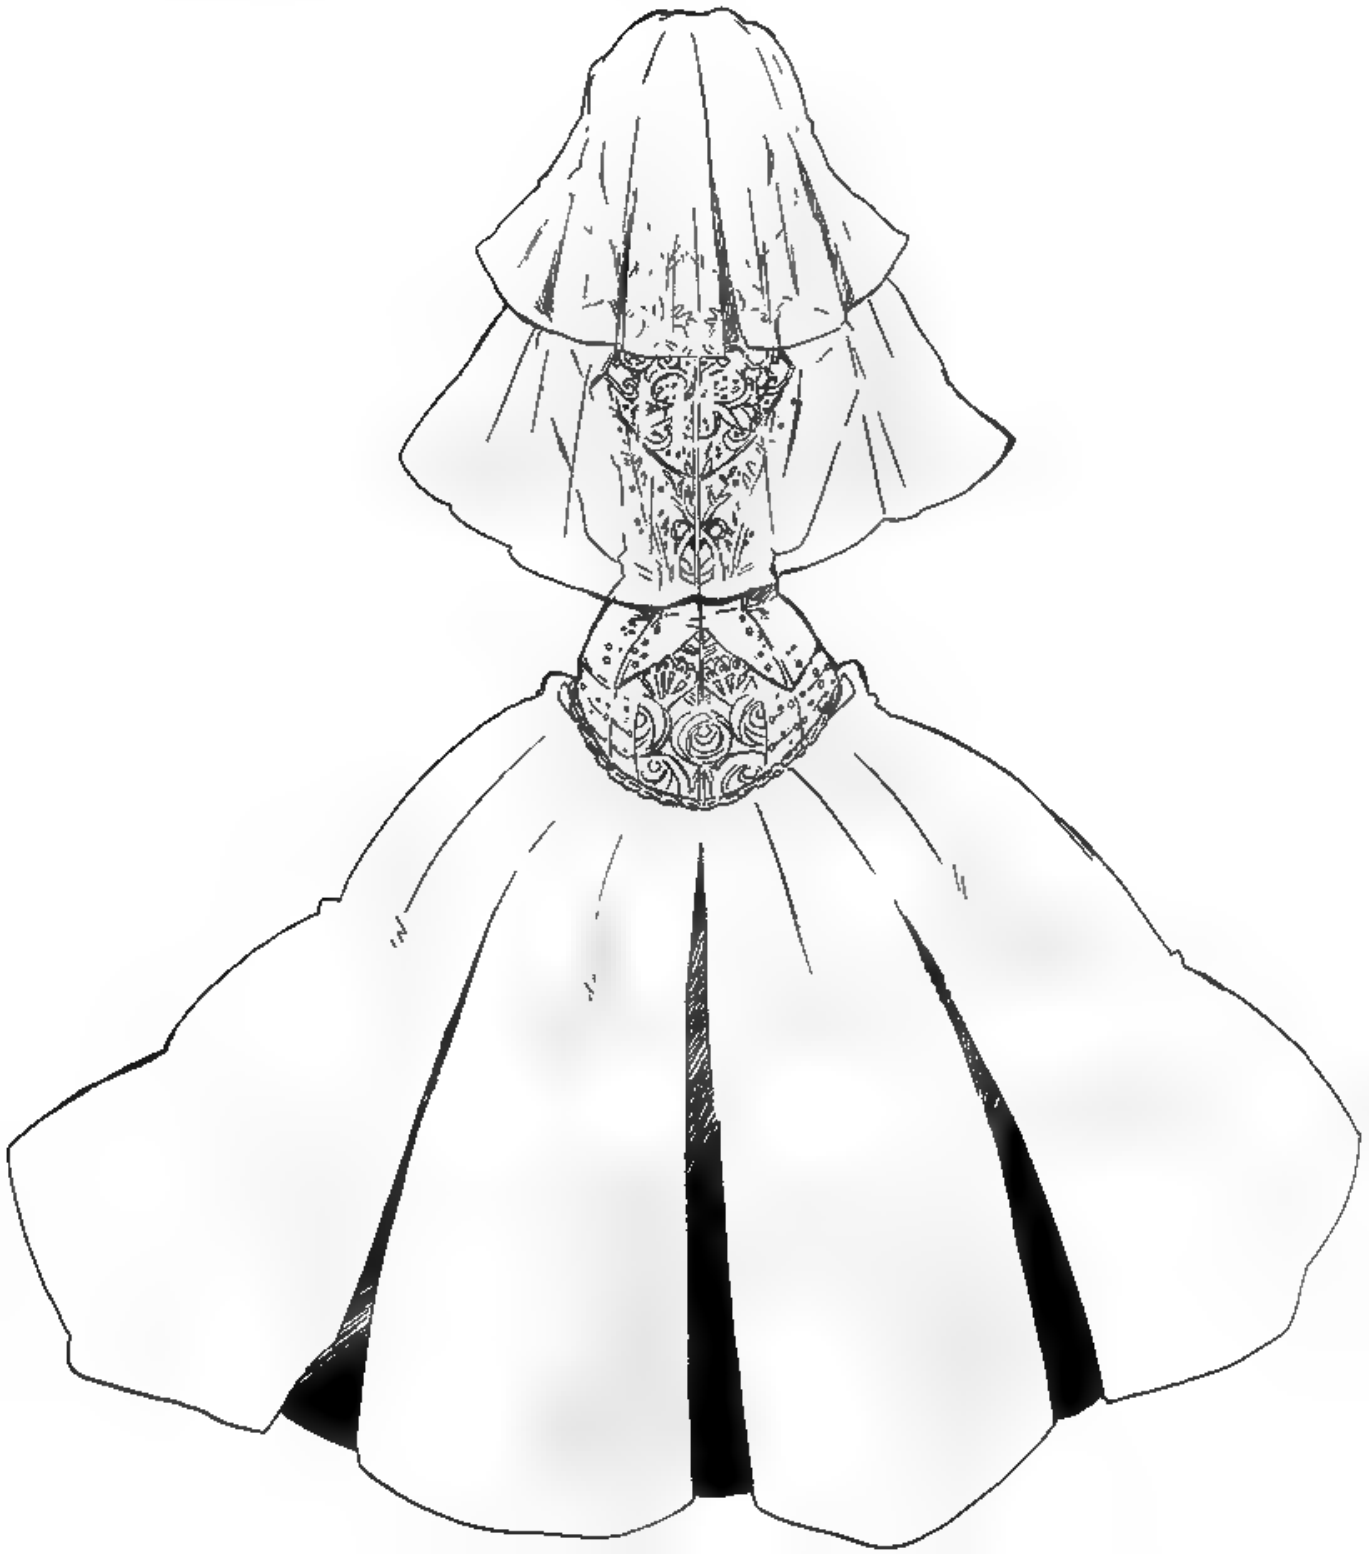
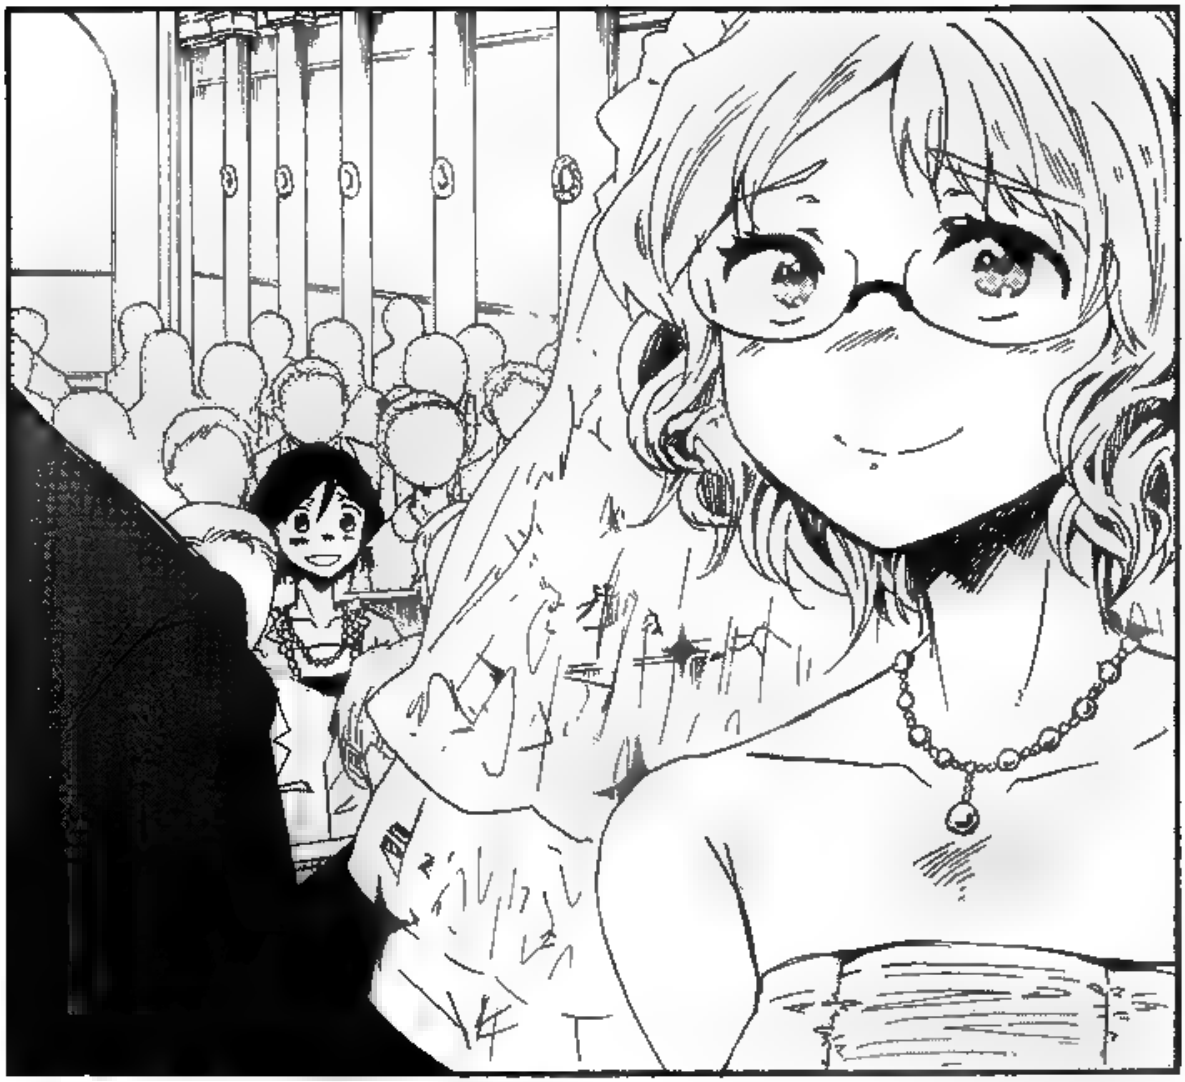
Final Chapter



for better for worse
for richer, for poorer

Do you promise to be true to him,
to love him,
and to honor him all the days of your life?

Yes,
I do.
... you may now kiss
Then,



I'm so happ, for yo, Watanabe
First of all,
My congra-tulations on your wedding day
Now, let me introduce myself.
I am a colleague of the bride, Kyouko-san.
My name is Ozawa
Because she is a serious and responsible person,
I've become familiar with the business suits she always wears to work.
So seeing her wear a dress today
. is such a lovely surprise
She's b ush-ng
How beauti-ful she is

ワワ OOD
As I was saying,
Kyouko -san is really serious and has a strong sense of respon- s bi ty
Of course not only the staff in our depart- ment,
but all the younger staff and our clients love her

Oh
You don't say
Yeah
My left hand looks perfect now
Ahh
It's over, it's over
Nice work.
It's all thanks to you
Ozawa
Yeah?
I'll be waiting outside
It's time for the after-party
Well, get yourse f changed.
grateful to you.
I'm really
What are you talking about?
Wha

Getting tied up
in the bouquet ribbon
Exchanging rings
extending the wrong hand
Because of all those mistakes you made..
Tripping when entering
Dieting too much
Chest doesn't fill dress
I developed counter-measures in advance.
Giving Oyamada the first bite
Covering him in cream
Guh.
Thanks, Ozawa
Killed two birds with one stone!
We'll now I have a ring on my left hand
I see
to us, they are precious memories of an important day
Even if they looked like mistakes to everyone else,
Those weren't really mistakes.

Um.
Well...
For example?
Oh?
There were a lot more than you guys saw
You're wrong if you think those were the only mistakes.
I see
You know
Something, Nothing, Praise, Work, more Praise
Praise, Praise
Right.
Asking you to give a speech.
...
I know
Guh.
I was joking.
You certainly got your revenge today.
Well, then.

You just want to get drunk already, huh?
Hm? What are you talking about?
Come on Let's go to the after-party
why don't we quit the trash talk for a bit?
Since today is a special day
It's not working.
I wonder why?
I'm home
Welcome back.
What are you doing?
Welcome
Oh
Yo!

We built the player, but there's no sound
as a supplement in one of those books.
We found a record and a kit for the player
Oh, yeah.
So nostal-gic
That
Wow
This
What is it?
A record player
You're right.
See.
Yup
Yes.
You only have to turn it?
Really?
Nice, nice!
So great
She seems all happy and lovey-dovey with her husband.
You're ones to talk.
Hey
How was Watanabe -san's wedding?
Right!
Yeah!

I would like to have a girlfriend with a lot of savings
I want a girlfriend who lets me play mahjong and slots
If that's not possible.
You're asking too much again.
Oh,
Weddings are good business these days, huh?
The ceremony was also gorgeous It was very well organized
Even Watanabe herself
thought it would be impossible.
But she didn't give up and saved up enough money
In the end
Ha ha
That's just like her
By the way, it's about time
your turn
right?
.....
No, no
wait.
Is Oyamada-kun keeping a secret from me?
Guh.
No, no, it's nothing.

We chose the towel together
Just what you'd expect from Watanabe-san
A catalog, and tea, a plain salad bowl, and a towel!
Right.
Let's open the present you got at the wedding
Aan
Yes.
...
Ooh!
That's pretty nice
Oh.
What? What?
Yeah.
After your brother started school, he stopped sending us packages, right?
It's so nostalgic
Ah.
well.
What's up?

Even though it's only been a while,
it feels like it happened long ago
...

If you start reminiscing over every trivial event,
you'll instantly grow old.
EH?!
It's all right.
You were just speaking your mind

Package delivery for
Oyamada-san

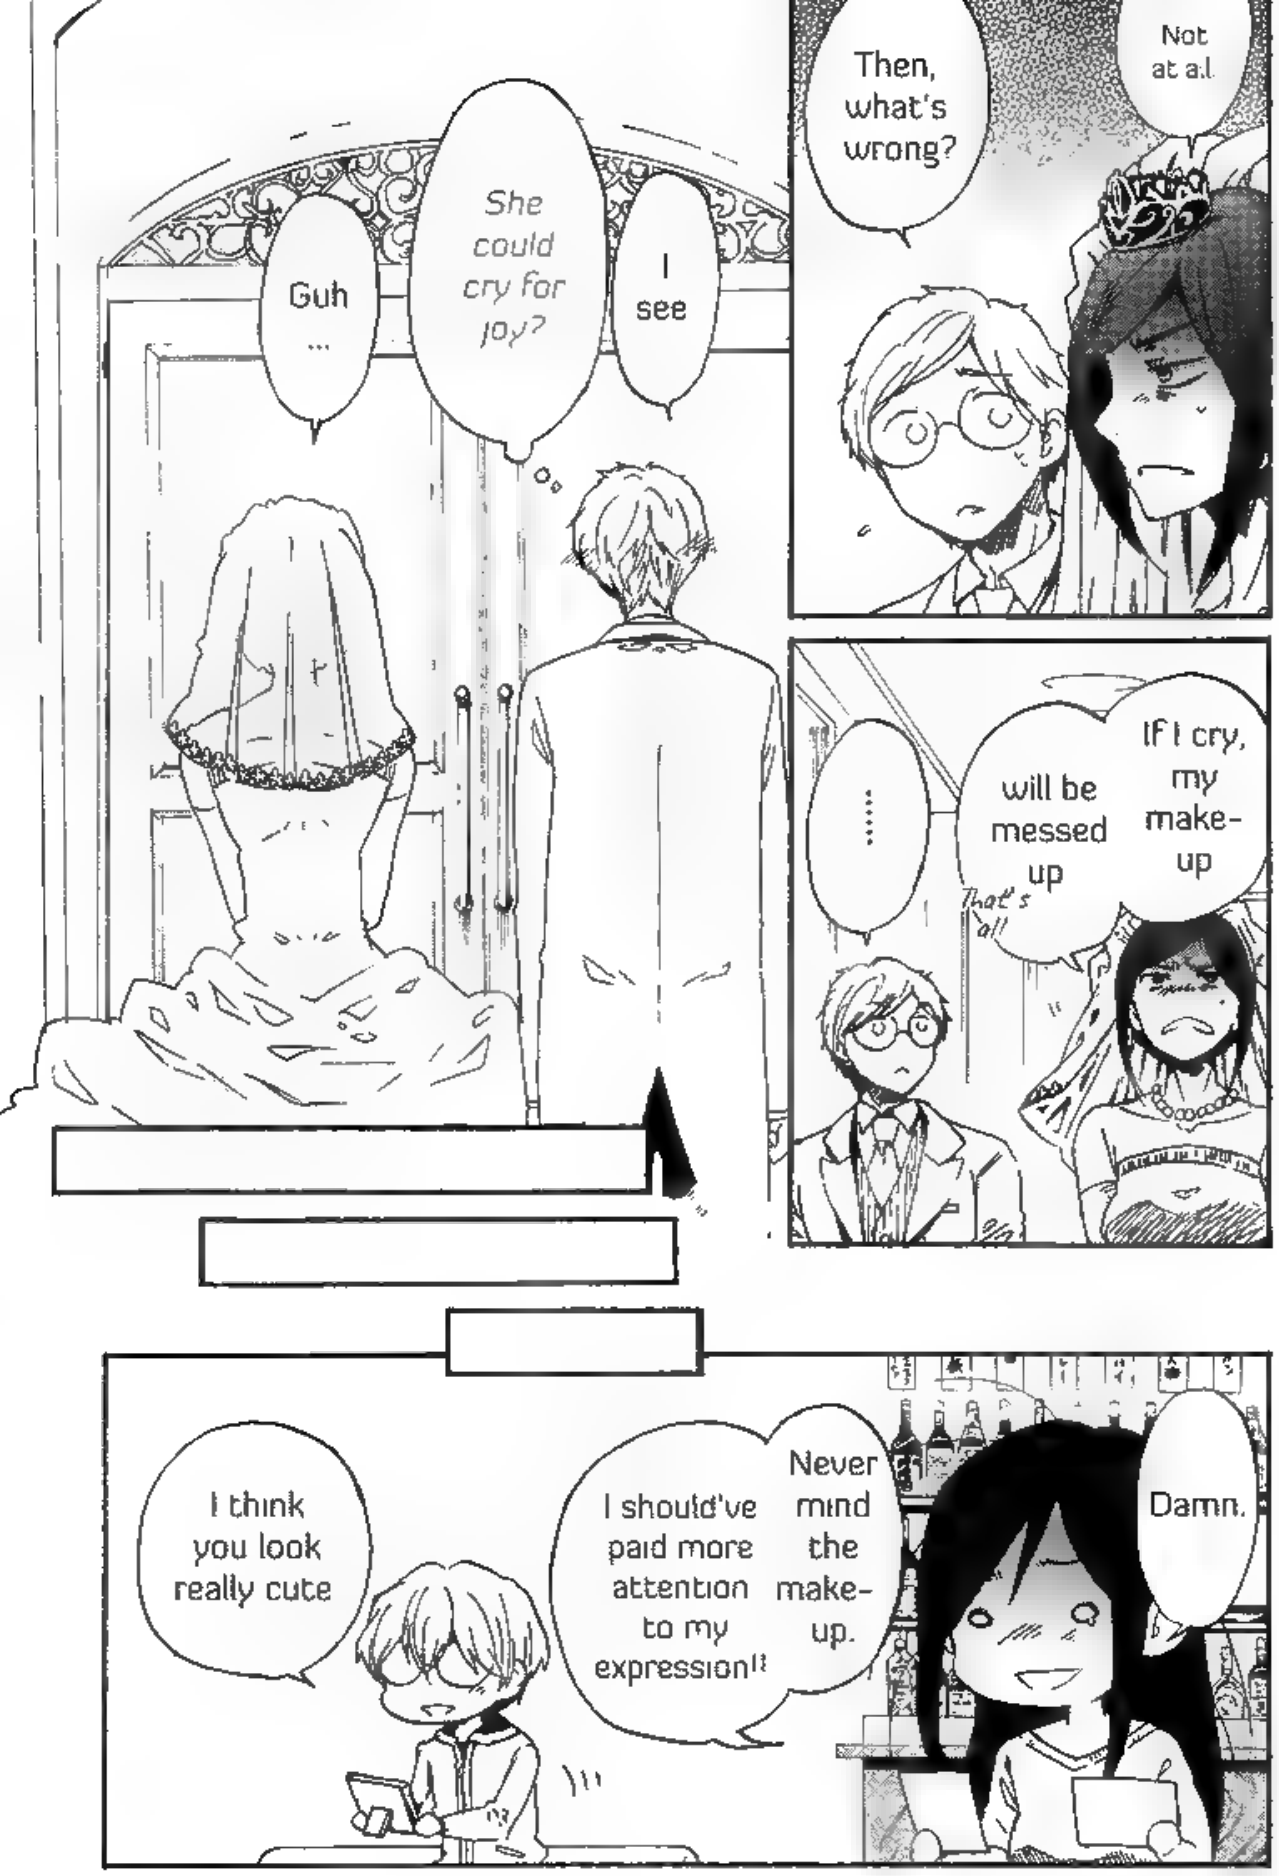
OMAKE 1: CHRISTMAS
Cheers!
Merry Christmas!
That advent calen-dar
Ah
That?
That
Ozawa-san
You're not going to open it?
I was thinking the tree looked pretty bland
I forgot.
Right?
at the top of the tree
there needs to be a star
After all,

An engage-ment ring
Because I didn't give you one yet.

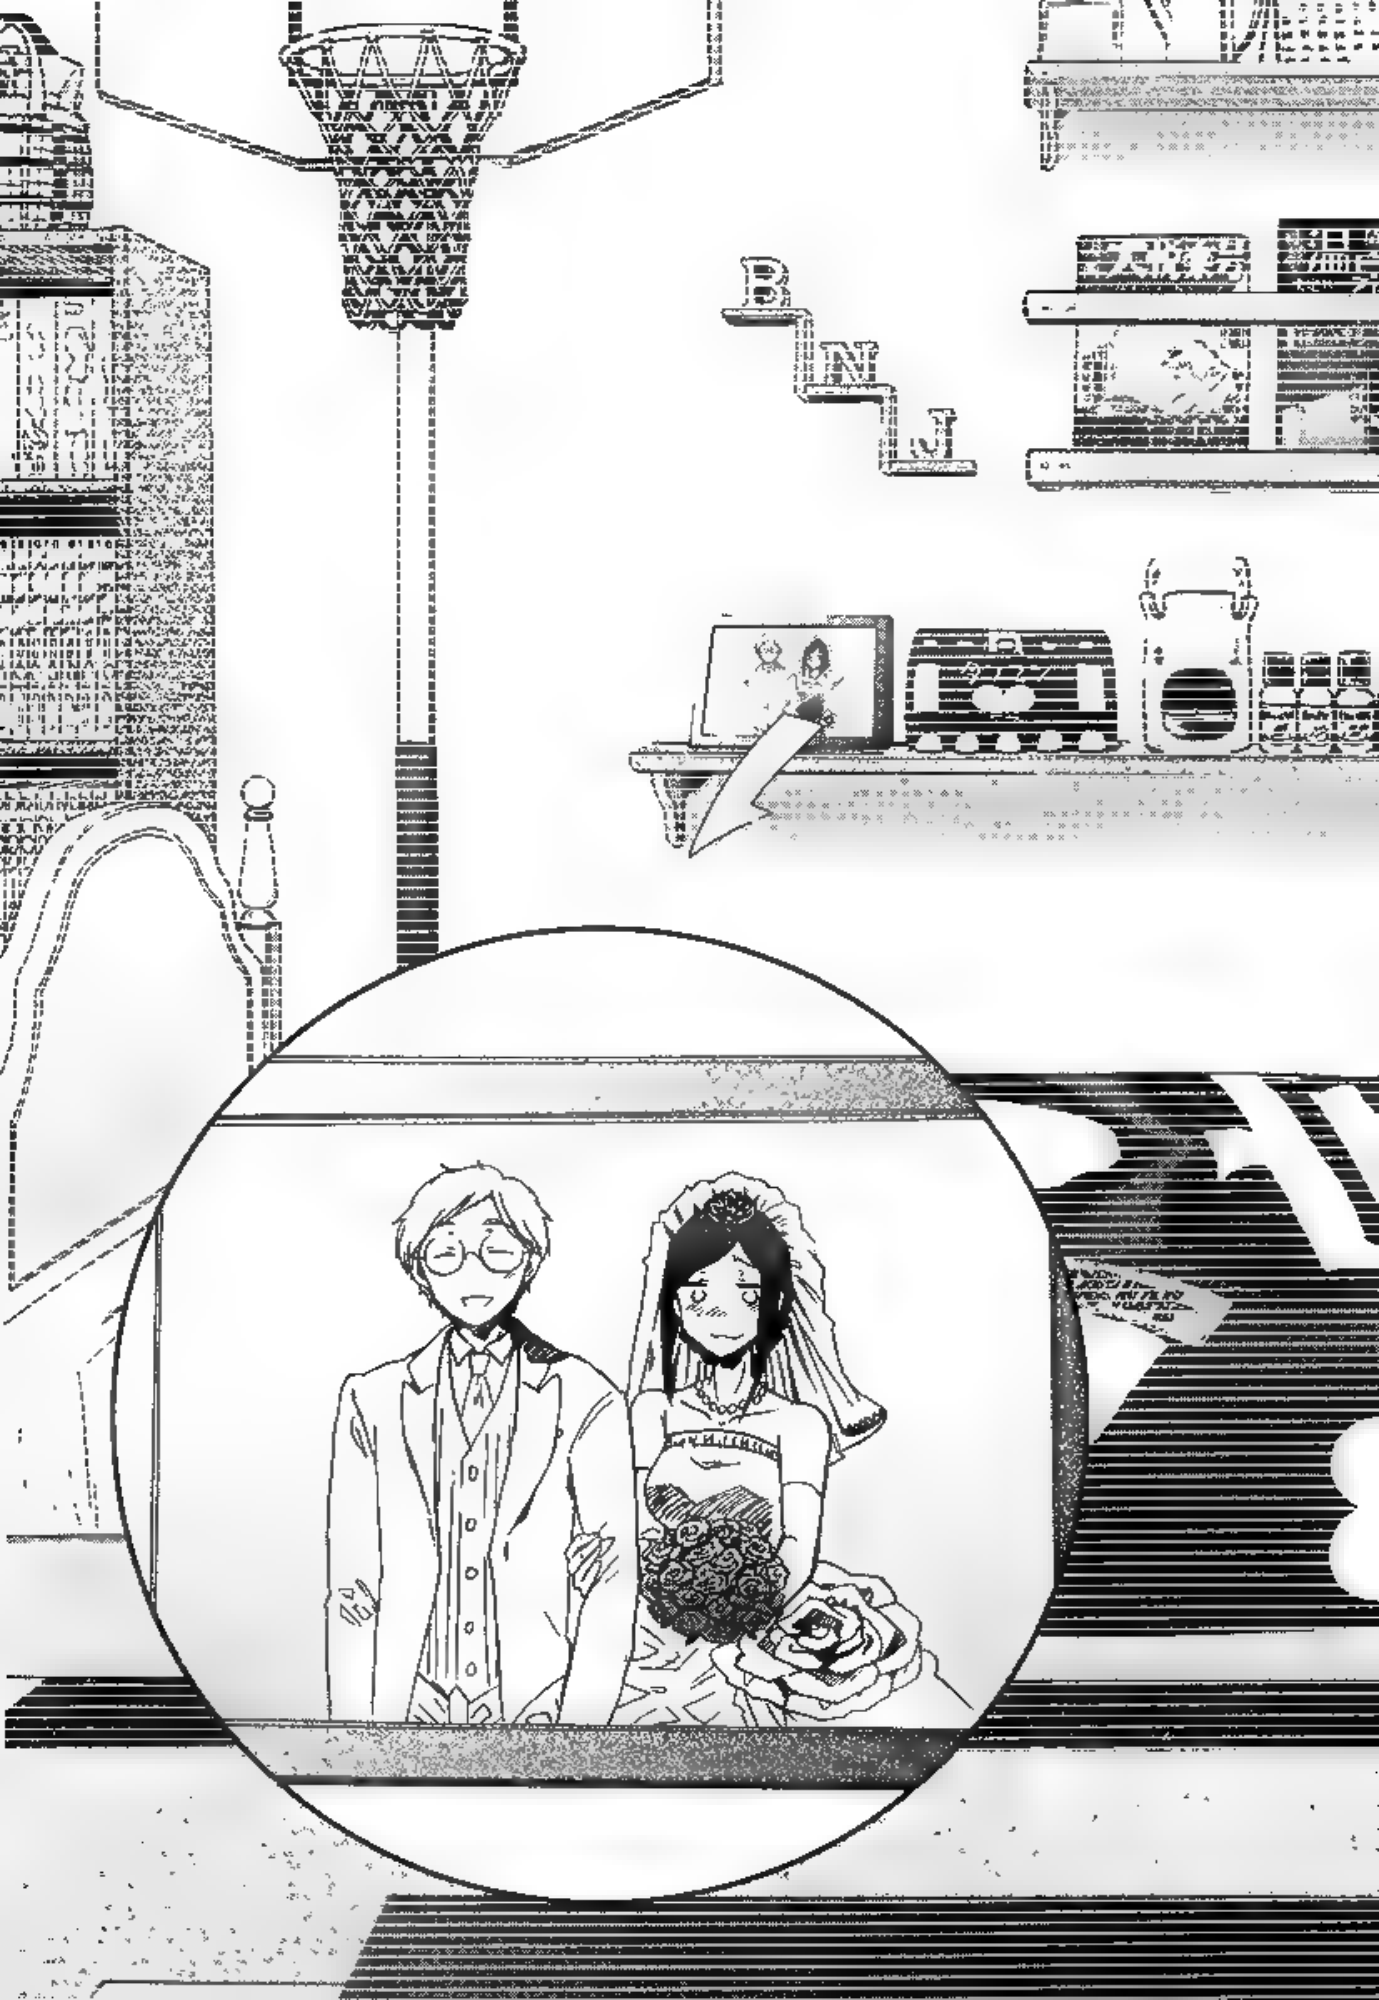
Err. .
What now, Oyamada-kun?
It's s-o-o romantic!
I know.
...I'm really sorry for confusing you with something that's so out of character for me.
What should do?
Oyamada kun .
I'm so glad to be your girlfriend.
Tha. .
That's great

Happy Merry Christmas!!

OMAKE 2: WEDDING



Guh ...
She could cry for joy?
I see
Then, what's wrong?
Not at all
If I cry, my make-up will be messed up
That's all
.....
Damn.
Never mind the make-up.
I should've paid more attention to my expression!!
I think you look really cute



AFTERWORD
I hope you liked it, even a little.
This is the last chapter.
Hi, I'm Aki Eda.
It hurts when I play online games.
What happened to your right wrist?
Having a meeting with my manager
Idiot
bandage
A few days later
I received a BOOBS mouse pad from my manager.
★ = self-imposed control
...there's even something underneath if you lift up the Bra. (Peek!)
And...
Because I'll keep going like this, until the day we meet again!!
Thank you very much!!
